## **Breathing Room:**

Breathing Room Melva Green, Lauren Rosenfeld, 2014-04-01 Cleaning out your cupboards isn't just about a tidier kitchen. Find peace, repair your past, and live a more fulfilled life with this uplifting guide to the spiritual practice of decluttering. Bless your clutter. Yes, you heard right. Bless it. Bless everything in your life that is superfluous, broken, burdensome, and overwhelming because it is all here to teach you an important lesson, perhaps the most important lesson there is: what really matters. Everyone's lives could use some serious decluttering. But decluttering isn't just about sorting junk into piles and tossing things in the trash. Decluttering can inform us of our burdens, help us to understand our attachments, and aid us in identifying what is truly valuable in our lives. Written by a medical doctor and a spiritual intuitive with case studies of people just like you, Breathing Room takes you on an enlightening room-by-room tour where each room in your home corresponds to a room in your heart, and where decluttering will not just make space but improve the spirit. So if it's weighing you down, if it's become an obstacle, if it's making it near impossible for you to find the things you really love, it's time for you to let it go and find a little breathing room.

Breathing Room Leeana Tankersley, 2014-09-30 Leeana Tankersley like so many of us began to feel overwhelmed by life. And like so many of us, she assumed she was struggling not because life is inherently difficult but because she was personally failing in some way. She knows firsthand what it is to bully yourself to put yourself down for not being able to keep it all together, to compare yourself to others, and find yourself lacking. But she's also discovered that all of the hurt and hostility and pain only add up to a life of holding your breath. What if we could exhale and let go? Breathing Room is her beautiful release of self-condemnation, her discovery of the rest that comes when we give ourselves some space to breathe. She draws readers in through shared experiences of perfectionism, jealousy, and striving, and shows them how to let go, how to be radically on their own team, and how to experience the broad grace that Christ has offered all of us. Anyone who has been trying to do it all, who has been putting on a strong front and yet secretly struggling, will find in Breathing Room both a trusted friend and a generous Savior.
