### Bretts Episode 3:

#### 21st Century Retro: "Mad Men" and 1960s America in Film and Television Debarchana Baruah,2021-04-16

Numerous contemporary televisual productions revisit the past but direct their energies towards history's non events and anti heroic subjectivities Debarchana Baruah offers a vocabulary to discuss these using Mad Men as a primary case study and supplementing the analysis with other examples from the US and around the world She takes a fundamentally interdisciplinary approach to studying film and television drawing from history memory and nostalgia discourses and layering them with theories of intertextuality paratexts and actor networks The book's compositions style invites discussions from scholars of various fields as well as those who are simply fans of history or of Mad Men *Believe* Jeremy Egner,2024-11-12 From The New York Times's Jeremy Egner the definitive book on Ted Lasso When Ted Lasso first aired in 2020 nobody including those who had worked on it knew how a show inspired by an ad centered around soccer filled mostly with unknown actors and led by a wondrously mustachioed nice guy would be received Eleven Emmys and one Peabody Award later it's safe to say that the show's status as a pop culture phenomenon is secure In *Believe* entertainment journalist and Ted Lasso fan Jeremy Egner traces the show's creation and legacy through the words of the people at its center Drawing on dozens of interviews from key cast creators and more *Believe* takes readers from the first silly NBC Premier League commercial to the pitch to Apple executives then into the show's writers room through the brilliant international casting and on to the unforgettable set and locations of the show itself Brimming with careful reporting and written to match the show's heart and humor *Believe* tells a story of teamwork of hidden talent of a group of friends looking around at the world's increasingly nasty discourse and deciding that maybe simple decency still has the power to bring us together a story about what happens when you dare to believe **Kiss and Cry** Narrelle M Harris,2020-02-01 Frank and Milo were introduced in *Fly By Night* 1999 where they got caught up in crime for the first time smuggling murder and assault Five years later on the verge of *The Big Time* Frank and Milo were tangled up in murder and kidnapping again in *Sacrifice* 2004 The first consequence of Milo's experiences was to out himself and Frank as a couple on national television In 2009 *Number One* Fan explores the full consequences of the events of *Sacrifice* anxiety disorders and the derailing of their music career as well as the new directions Frank and Milo are taking now Crime still loiters in the wings however or a type more often seen in the music industry a stalker So here we are in 2014 and Frank and Milo are still together still in love and with new challenges They'd very much like to not be involved in any more violent crime thanks However crime seems not to be quite done with them [A History of Our Own Times from the Accession of Queen Victoria to the Diamond Jubilee, 1897](#) Justin McCarthy,1905 *A history of our own times. their lives arguing that they often function as proxies for larger societal and philosophical themes Approaching Gotham s villains from a number of disciplinary backgrounds the essays in this collection highlight how the villains multifaceted backgrounds experiences motivations and behaviors allow for in depth character analysis across varying levels of social life Through investigating their cultural and scholarly relevance across the humanities and social sciences the volume encourages both thoughtful reflection on the relationship between individuals and their social contexts and the use of villains inside and outside of Gotham as subjects of pedagogical and scholarly inquiry
