Brief Encounter:

The never-ending Brief Encounter Brian McFarlane,2019-08-28 This is a book for all those who have been absorbed and moved by Brief Encounter in the seventy or so years since its first appearance It explores the central relationship of the film where two people who fall unexpectedly in love come to realise that there is more to life than self gratification Mores have undoubtedly changed for better or worse but that essential moral choice has never lost its power While acknowledging this the book goes further in an effort to account for the way the film has passed into the wider culture People born decades after its first appearance are now adept at picking up references to it whether a black and white scene in a much later film or a passing joke about a bald man in a barber s shop

Brief Encounters Stephen Bourne,2016-10-06 For many years lesbian and gay representation in British cinema escaped the attention of critics and historians Informative and entertaining Brief Encounters examines performers directors and a wide range of films to reveal a cinema more varied vital and sensuous than we could have imagined Through a close reading of mid twentieth century British films Bourne explores a range of lesbian and gay screen images from movies including Soldiers of the King Pygmalion In Which We Serve Brief Encounter Black Narcissus The Red Shoes and A Hard Day s Night In addition he looks in detail at the ground breaking Victim and brings together the moving reminiscences of gay men who first saw the film in the hostile climate of 1961 and the reactions of contemporary critics This fluent chronology of over 150 famous half remembered and forgotten films is a testament to the contribution of gays and lesbian to British cinema culture

Brief Encounter Noel Coward,1984 Brief Encounter Richard Dyer,2019-07-25 Brief Encounter 1945 adapted from Noel Coward s play Still Life is a classic of British cinema a tale of impossible love between a married woman and a man she meets while waiting for a train Though it s a film made by men it is the woman s voice we hear recounting the story of a small town love affair and her renunciation of it In his lucid analysis of the film Richard Dyer explores how its depiction of powerful feelings kept under wraps is a definitive example of a particularly English style of emotional restraint but also how it spoke to a gay audience for whom this subject forbidden love between ordinary people had a special resonance This reissued edition features original cover artwork by Rania Moudaress and a substantial new foreword that revisits the film and recent readings of it covering its enduring legacy and adaptation for theatre and television

Brief Encounters Goronwy Rees,1974 Brief Encounters Edwin Moore,2007 A collection of 100 meetings between famous people and the events that followed those meetings Ranging from Cyrus the Great in the sixth century B C to Bill Clinton during the 2000 presidential campaign Brief Encounters covers the meetings of many famous and some not so famous people throughout the ages Each entry puts the people in context with what was happening politically describes the meeting and then gives a paragraph about what happened next All entries are cross referenced A few sample entries The year 452 Pope Leo I persuades Attila the Hun not to attack Rome 1786 Walter Scott meets Robert Burns and is impressed by his Eye 1812 Beethoven meets Goethe and snubs the Austrian empress 1922 Proust Joyce Diaghilev Stravinsky
