

A stylized illustration of a Hollywood cityscape at night. The scene is dominated by a dark, silhouetted city skyline with numerous windows glowing in white and red. In the foreground, a multi-lane highway with a guardrail runs diagonally across the frame. The sky is a dark, muted brown, and several palm trees are scattered throughout the scene, including a large one on the left and a cluster on the right. The overall aesthetic is graphic and reminiscent of mid-century modern design.

Lee,2025-04-01 Augustine is the most influential thinker of Western Christianity and City of God is arguably his greatest work After the sack of Rome in 410 many Romans despaired about the future of the empire Critics of Christianity blamed the devastation on the empire s conversion to the faith City of God is Augustine s monumental response to these challenges developed through analysis of Roman society engagement with classical philosophy and extended commentary on Scripture These sprawling discussions yield Augustine s theology of the two cities according to which all people are divided into two communities according to their ultimate loves whether of God or of self Christians are called to love eternal goods over temporal goods even as they seek the peace of the earthly city The length and complexity of City of God make its argument difficult to follow even for specialists This resource abridges Augustine s work and makes it accessible for a wide readership The selections focus on his social and political thought while indicating the larger shape of his work They are accompanied by explanatory notes essays on critical and complex topics and an outline of the entire text These aids will enable readers to experience Augustine s work for themselves The Essential City of God retrieves ancient wisdom for the modern world offering an enduring vision for faithfulness and hope in times of social instability *New York Magazine* ,1996-09-16 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Roster, State, County, City, and Township Officials of the State of California, Also Federal Officials for California ,1925 *Catalog of Copyright Entries* Library of Congress.
