Dynamics Of Time And Space Transcending Limits On Knowledge:

Dynamics of Time and Space Tarthang Tulku,1994 A very accessible presentation of TSK focusing on embodying knowledge instead of processing it

Nawari Koans Claude Whitmyer,2007-05-15 Nawari Koans is an interpretation on the Wumenguan which is a translation of a Chinese Zen classic called the Wumenguan from about A D 1200 this book will be popular with anyone seriously interested in Buddhism or Zen meditation Authored by the late archaeologist and anthropologist Robert Fitzwater who interpreted the Zen Koan through his own American life

The Inner Journey Home A. H. Almaas,2004-04-27 The Inner Journey Home offers a transformative exploration of the human soul blending insights from traditional spirituality and modern psychology through the Diamond Approach of A H Almaas This centerpiece of Diamond Approach literature delves into the multifaceted nature of the soul tracing its journey from ancient philosophical roots to contemporary understandings and challenges the fragmented perception of human identity prevalent in modern society Almaas presents the soul as a dynamic living organism of consciousness inviting readers to reevaluate their connection to the world and their own being Almaas guides readers through inner exploration and self inquiry to realize the soul s true nature by answer questions such as What is the soul and how do we come to know it What is its journey in life and what stages and obstacles are encountered along the way Through a journey of ascent and descent the book emphasizes the integration of spiritual essence into everyday life leading to a transformative understanding of nonduality and the inherent unity of reality Almaas provides a harmonious blend of spiritual and psychological insights fostering holistic development and offering a vision of psychological and spiritual liberation For those seeking a deeper understanding of their inner lives and the interconnectedness of all existence The Inner Journey Home is an essential read Almaas s work stands as both a guide and an invitation to embark on one s own exploration of the soul illuminating the path toward true self realization and freedom This book promises to enrich the reader s journey with profound insights and practical wisdom making it a significant contribution to spiritual and psychological literature

Technovisuality Helen Grace,Amy Chan Kit-Sze,Wong Kin Yuen,2015-12-23 How should we regard the contemporary proliferation of images Today visual information is available as projected printed and on screen imagery in the forms of video games scientific data virtual environments and architectural renderings Fearful and anti visualist responses to this phenomenon abound Spread by digital technologies images are thought to threaten the word and privilege surface value over content Yet as they multiply images face unprecedented competition for attention This book explores the opportunities that can arise from the ubiquity of visual stimuli It reveals that technovisuality the fusion of digital technology with the visual can work wonders not so much dazzling audiences with special effects as reviving our enchantment with popular culture Introducing a new term for an entirely new field of academic study this book reveals the centrality of technovisuality in 21st century life
