## **Early Christian World:**

*The Early Christian World* Philip F. Esler, 2002-09-11 *The Early Christian World* presents an exhaustive erudite and lavishly illustrated treatment of how the small movement which formed around Jesus in Galilee became the pre eminent religion of the ancient world The work begins by firmly situating early Christianity within its Mediterranean social political and religious contexts before charting the history of the first Christian centuries The creation and perpetuation of Christian communities through various means including mission and monasticism is explored as is the everyday experience of early Christians through discussion of gender and sexuality religious practice communication and social structures The intellectual particularly theological and artistic heritage of the period is fully considered and a vivid picture painted of the internal and external challenges faced by early Christianity The book concludes with profiles of the most notable figures of the age Comprehensive and accessible *The Early Christian World* provides up to date coverage of the most important topics in the study of early Christianity together with an invaluable collection of visual material It will be an indispensable resource for anyone studying this period

**The Early Christian World: pt. 1. The context. The Mediterranean context of early Christianity** Philip Francis Esler, 2000

**The Early Christian World** Philip F. Esler, 2002-05-03 *The Early Christian World* presents an exhaustive erudite and lavishly illustrated treatment of how a small movement formed around Jesus in Galilee became the pre eminent religion of the ancient world Situating early Christianity within its Mediterranean social political and religious contexts the book charts the history of the first Christian centuries The creation and perpetuation of Christian communities through means including mission and monasticism is then explored as is the everyday experience of early Christians through discussion of gender and sexuality religious practice communication and social structures The intellectual particularly theological and artistic heritage of the period is fully considered and a vivid picture provided of the internal and external challenges faced by early Christianity With profiles of the most notable figures of the age up to date coverage of the most important topics in the study of early Christianity and an invaluable collection of visual material *The Early Christian World* is a comprehensive a ccessible and indispensable resource for everyone studying this period

**The Moral World of the First Christians** Wayne A. Meeks, 1986-01-01 Describes the social setting of the early Christians looks at the Greek and Roman ethical traditions and explains the moral formation of the beginning Christian movement

**The World of the Early Christians** Joseph F. Kelly, 2017-03-15 Like every lost world the world of the early Christians was a combination of the foreign and the familiar the unique and the commonplace In *The World of the Early Christians* Joseph Kelly introduces and explains the world of the early Christians and while he examines the differences between our two societies he also stresses our similarities The early Christians were people like us trying to make their way in life There are many introductions to the world of the early Christians but few if any deal with its historical background and the basic questions non specialists ask Why did the Christians use philosophy at al Didn t it make everything confusing Why didn t they just stay with the Bible In

The World of the Early Christians Kelly answers such preliminary questions and concentrates on the fundamental issue of why Christians used philosophy rather than simply listing the philosophies they used Not only do most people know little about the early Christians they often have erroneous views about them For example many modern Christians think their ancient spiritual ancestors were impoverished uneducated people from the lowest strata of Roman society The World of the Early Christians addresses some of these misconceptions by considering the historical evidence available about these people Similarly Kelly also explains some ancient topics such as magic and astrology and considers how they can be misleading to modern students He then describes the early Christians relationships with other groups such as Jews pagans and members of popular and official cults and then explores the intellectual and cultural lives of the early Christians Students and anyone interested in understanding the now lost world of early Christianity will appreciate this volume s straightforward treatment of this essential background material Kelly touches upon topics treated by the other volumes in the Message of the Fathers of the Church series He refers to original sources in translation unless no translation is available and he includes bibliographic references for further research In a direct and easy manner Kelly brings to life for us today the rich world of the early Christians Chapters are Who Were the Early Christians How Do We Know About the Early Christians The Physical World Others Intellectual and Cultural Life Living in the World and A Brief History of Early Christianity *The Early Christian World* Philip Esler,2017-07-20 Since its publication in 2000 The Early Christian World has come to be regarded by scholars students and the general reader as one of the most informative and accessible works in English on the origins development character and major figures of early Christianity In this new edition the strengths of the first edition are retained These include the book s attractive architecture that initially takes a reader through the context and historical development of early Christianity the essays in critical areas such as community formation everyday experience the intellectual and artistic heritage and external and internal challenges and the profiles on the most influential early Christian figures The book also preserves its strong stress on the social reality of early Christianity and continues its distinctive use of hundreds of illustrations and maps to bring that world to life Yet the years that have passed since the first edition was published have seen great advances made in our understanding of early Christianity in its world This new edition fully reflects these developments and provides the reader with authoritative lively and up to date access to the early Christian world A quarter of the text is entirely new and the remaining essays have all been carefully revised and updated by their authors Some of the new material relates to Christian culture including book culture canonical and non canonical scriptures saints and hagiography and translation across cultures But there are also new essays on Jewish and Christian interaction in the early centuries ritual the New Testament in Roman Britain Manichaeism Pachomius the Great and Gregory of Nyssa This new edition will serve its readers for many years to come *The Early Christian World* Philip Francis Esler,2004 The Early Christian World presents an exhaustive erudite and illustrated treatment of how the small movement which formed around

Jesus in Galilee became the pre eminent religion of the ancient world [The early Christian world, v.1](#) Philip F. Esler (ed),2000 **Meals in the Early Christian World** Dennis E. Smith,2012-12-05 This book provides three categories of investigation 1 The Typology and Context of the Greco Roman Banquet 2 Who Was at the Greco Roman Banquets and 3 The Culture of Reclining Together these studies establish festive meals as an essential lens into social formation in the Greco Roman world **Ritual, Emotion, and Materiality in the Early Christian World** Soham Al-Suadi,Richard S. Ascough,Richard E. DeMaris,2021-12-30 This volume advances our understanding of early Christianity as a lived religion by approaching it through its rites the emotions and affects surrounding those rites and the material setting for the practice of them The connections between emotions and ritual between rites and their materiality and between emotions and their physical manifestation in ancient Mediterranean culture have been inadequately explored as yet especially with regard to early Christianity and its water and dining rites Readers will find all three areas ritual emotion and materiality engaged in this exemplary interdisciplinary study which provides fresh insights into early Christianity and its world Ritual Emotion and Materiality in the Early Christian World will be of special interest to interdisciplinary minded researchers seminarians and students who are attentive to theory and method and those with an interest in the New Testament and earliest Christianity It will also appeal to those working on ancient Jewish and Greco Roman religion emotion and ritual from a comparative standpoint [The early Christian world, v.2](#) Philip F. Esler (ed),2000 **The Urban World and the First Christians** Steve Walton,Paul Trebilco,David W. J. Gill,2017-09-18 In the tradition of The First Urban Christians by Wayne Meeks this book explores the relationship between the earliest Christians and the city environment Experts in classics early Christianity and human geography analyze the growth development and self understanding of the early Christian movement in urban settings The book s contributors first look at how the urban physical cultural and social environments of the ancient Mediterranean basin affected the ways in which early Christianity progressed They then turn to how the earliest Christians thought and theologized in their engagement with cities With a rich variety of expertise and scholarship The Urban World and the First Christians is an important contribution to the understanding of early Christianity [The World of the Early Christians](#) Joseph Francis Kelly,1997-01-01 Like every lost world the world of the early Christians was a combination of the foreign and the familiar the unique and the commonplace In The World of the Early Christians Joseph Kelly introduces and explains the world of the early Christians and while he examines the differences between our two societies he also stresses our similarities The early Christians were people like us trying to make their way in life There are many introductions to the world of the early Christians but few if any deal with its historical background and the basic questions non specialists ask Why did the Christians use philosophy at al Didn t it make everything confusing Why didn t they just stay with the Bible In The World of the Early Christians Kelly answers such preliminary questions and concentrates on the fundamental issue of why Christians used philosophy rather than simply listing the philosophies they used Not only do most people know little

about the early Christians they often have erroneous views about them For example many modern Christians think their ancient spiritual ancestors were impoverished uneducated people from the lowest strata of Roman society The World of the Early Christians addresses some of these misconceptions by considering the historical evidence available about these people Similarly Kelly also explains some ancient topics such as magic and astrology and considers how they can be misleading to modern students He then describes the early Christians relationships with other groups such as Jews pagans and members of popular and official cults and then explores the intellectual and cultural lives of the early Christians Students and anyone interested in understanding the now lost world of early Christianity will appreciate this volume s straightforward treatment of this essential background material Kelly touches upon topics treated by the other volumes in the Message of the Fathers of the Church series He refers to original sources in translation unless no translation is available and he includes bibliographic references for further research In a direct and easy manner Kelly brings to life for us today the rich world of the early Christians Chapters are Who Were the Early Christians How Do We Know About the Early Christians The Physical World Others Intellectual and Cultural Life Living in the World and A Brief History of Early Christianity Kingdom and Community John G. Gager,1975 The volumes in this series are intended to contribute to the development of the study of religion It seems to us that it is especially important that appropriately conceived and well written materials be available for use in undergraduate and graduate instruction Moreover it is our hope that this series will not only be a useful teaching instrument within the formal curriculum but will also play an important role in shaping the study of religion Individual Volumes fall into one of three subsections in the series One set of studies small in number will be concerned with theories of religion or methodological approaches to the study of religion Our attempts will be to offer books were none are available or where the existing materials are inadequate A second group of books also small will deal with general aspects of religion in various traditions Mysticism symbol and myth religious ethics and other comparable topics deserve theoretical and systematic treatments not available at present The third section of the series consists of the particular studies of various religious traditions periods or movements The editors will try to identify areas of study to which sufficient attention has not been given as well as classical subjects which deserve or even require fresh approaches We hope that each of the volumes in the series will be sufficiently lucid to serve as an introductory study while also providing insights that will contribute to the work of specialists Scholarly apparatus and bibliographies will be included to provide direction for further study Throughout the project the editors will seek out studies which manifest unquestioned quality in scholarship and writing Editors

**Understanding Early Christian Art** Robin M. Jensen,2013-04-15 Understanding Early Christian Art is designed for students of both religion and of art history It makes the critical tools of art historians accessible to students of religion to help them understand better the visual representations of Christianity It will also aid art historians in comprehending the complex theology history and context of Christian art This interdisciplinary and boundary breaking approach will enable

students in several fields to further their understanding and knowledge of the art of the early Christian era Understanding Early Christian Art contains over fifty images with parallel text *The Spirit of Early Christian Thought* Robert Louis Wilken,2003-01-01 Focusing on major figures such as St Augustine and Gregory of Nyssa as well as a host of less well known thinkers Robert Wilken the author of *The First Thousand Years A Global History of Christianity* chronicles the emergence of a specifically Christian intellectual tradition He provides an introduction to early Christian thought on topics including early Christian worship Christian poetry and the spiritual life the Trinity Christ the Bible and icons and shows that the energy and vitality of early Christianity arose from within the life of the Church While early Christian thinkers drew on the philosophical and rhetorical traditions of the ancient world it was the versatile vocabulary of the Bible that loosened their tongues and minds and allowed them to construct the world anew intellectually and spiritually These thinkers were not seeking to invent a world of ideas Wilken shows but rather to win the hearts of men and women and to change their lives Early Christian thinkers set in place a foundation that has endured Their writings are an irreplaceable inheritance and Wilken shows that they can still be heard as living voices within contemporary culture [The Early Christians](#) Ben F. Meyer,2009-01-05 *In Stone and Story* Bruce W. Longenecker,2020-02-18 This beautifully designed full color textbook introduces the Roman background of the New Testament by immersing students in the life and culture of the thriving first century towns of Pompeii and Herculaneum which act as showpieces of the world into which the early Christian movement was spreading Bruce Longenecker a leading scholar of the ancient world of the New Testament discusses first century artifacts in relation to the life stories of people from the Roman world The book includes discussion questions maps and 175 color photographs Additional resources are available through Textbook eSources **Miracle in the Early Christian World** Howard Clark Kee,1983 [Humankind and the Cosmos: Early Christian Representations](#) Doru Costache,2021-07-15 In this volume Costache endeavours to map the world as it was understood and experienced by the early Christians Progressing from initial fears they came to adopt a more positive view of the world through successive shifts of perception This did not happen overnight Tracing these shifts Costache considers the world of the early Christians through an interdisciplinary lens revealing its meaningful complexity He demonstrates that the early Christian worldview developed at the nexus of several perspectives What facilitated this process was above all the experience of contemplating nature When accompanied by genuine personal transformation natural contemplation fostered the theological interpretation of the world as it had been known to the ancients
