Early Germans:

The Early Germans of New Jersey Theodore Frelinghuysen Chambers,1969 Excerpt from *The Early Germans of New Jersey Their History Churches and Genealogies* This work is the result of an attempt to discover the exact time of the first settlement of New Jersey by people of the German race It is believed that this fact has been ascertained with sufficient certainty Between 1710 and 1713 nearly all palatines who have left any trace of their presence began to arrive in the State and to fulfill their important part in the upbuilding of this commonwealth In the course of this investigation extending as it needs must do in so many directions and having to do with so many records a large amount of valuable material would naturally accumulate This has appeared to the author to be worth pre serving even though the labor and expense and risk of so large a book would be required for that purpose About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
