Blood Lust:

BLOOD LUST Gary C. King,2011-06-01 The 16 year old was lucky She at least survived her encounter with Dayton Leroy Rogers to detail its horrors But a long list of other women were not as fortunate Their stories had to be painstakingly pieced together by police from the corpses on the most shocking trail of terror ever left by a serial killer The Man Who Loved to Kill Women Dayton Leroy Rogers was known in Portland Oregon as a respected businessman and devoted husband and father But at night he abducted women forced them into sadistic bondage games and thrilled in their pain terror and mutilation His murderous spree was stopped only after in plain view he slashed to death his final victim and when a hunter accidentally stumbled onto the burial grounds of seven other women Rogers had killed one by one in the depths of the Molalla Forest did police realize they were dealing with a killer whose bloodlust knew no bounds This is the shocking true story of the horrifying crimes capture and conviction of Dayton Leroy Rogers Oregon s mild mannered businessman by day vicious serial killer by night

Bloodlust: The First Powerpuff Girl Elvis Del Valle,2023-06-11 Before Blossom Bubbles and Buttercup there was a little girl named Bloodlust She was the very first Powerpuff Girl created by Professor Utonium when he was a family guy with a wife and a son Bloodlust was created for something great but she turned out to be something dangerous This is the lost fan fic or creppypasta Elvis Del Valle wrote in 2016 after the success of his short films Bubbles Deaht and Profondo Blossom It was made to introduce a new character for The Powerpuff Girls Movie 2 but the project was cancelled twice The main reason was for the Power Of Four episode from the reboot series since Bliss had an origin story alike Bloodlust This story was used for the Radio Stories pilot episode This story was made as a prequel to The Powerpuff Girls original series and Powerpuff Girls Z as well mixing both shows in the same story Now years later the original text is here for very first time to find its place in the world of fan fictions after being out of sight for so long and after Elvis promised he would never write another fan fiction again just to focus in his own original stuff

Blood Lust Scott Sedjo,2013-03-20 The story of an experiment in genetic engineering which quickly evolves a life of its own A fast paced story which blurs the line between science and folklore as the unforeseen variables of life assert their own will to survive and refuse to be controlled Written in the first person from the unique perspective of the main characters as such it is narrated differently from different perspectives One perspective begins to gain control as the other loses control This dynamic creates an almost biblical twist on the standard relation of creator to created as the struggle for control intertwines in the lives of the characters
