Breaking The Silence:

Breaking The Silence Perry Power,2021-02-15 After being sexually abused by his Grandad at the age of 10 Perry lived in secrecy for over 12 years This led him down a path of self sabotage that is until the sudden death of his Father in 2017 Perry went on to break his silence and embark on a mission to help as many victims as he could to also break theirs This book is about Perry s story the stories of 14 other survivors and how someone who is living in silence can own their story and speak out

The Weaponized Camera in the Middle East Liat Berdugo,2021-01-14 Drawing on unprecedented access to the video archives of B Tselem an Israeli NGO that distributes cameras to Palestinians living in the West Bank East Jerusalem and the Gaza Strip Liat Berdugo lays out an argument for a visual studies approach to videographic evidence in Israel Palestine Using video stills as core material it discusses the politics of videographic evidence in Israel Palestine by demonstrating that the conflict is one that has produced an inequality of visual rights The book highlights visual surveillance and counter surveillance at the citizen level how Palestinians originally filmed to shoot back at Israelis who were armed with shooting power via weapons as the occupying force It also traces how Israeli private citizens began filming back at Palestinians with their own cameras including personal cell phone cameras thus creating a simultaneous echoing counter surveillance Complicating the notion that visual evidence alone can secure justice the **Weaponized Camera in The Middle East** asks how what is seen but also who is seeing affects how conflicts are visually recorded Drawing on over 5 000 hours of footage only a fraction of which is easily accessible to the public domain this book offers a unique perspective on the strategies and battlegrounds of the Israel Palestine conflict
