Brides Of Christ:

The Brides of Christ Mary Potter, 1920 The Bride Of Christ: The Bridegroom and His Bride Christopher Hussey, 2017-08-11 Right from the very beginning in eternity past God had planned history with His Son having a bride a companion that would co reign with Him and enjoy Him forever That is the eternal purpose of God in creating a bride for His Son If you read the Scripture from cover to cover you would discover that God teaches us in a variety of different ways Sometimes God uses powerful word pictures sometimes He uses symbols sometimes He uses examples of people both good and bad Sometimes God uses a direct word an authoritative word sometimes He uses examples from nature like a tree planted by the rivers of water that will not cease to bear fruit This book highlights how God gave us an example of an ancient Jewish wedding ceremony that correlates with Christ the Bridegroom and His bride the church From the father choosing a bride for his son paying the bridal price the bridegroom snatching his bride and bringing her to the bridal chamber and then finally co reigning with him in their household with him as the head It is absolutely amazing the correlation between the two What was a mystery to the Jews has been revealed The mystery was that both Jew and Gentile called the church would be the bride of Christ The bride of Christ is describing the kind of relationship we can have with Jesus God is seeking willing lovers who would voluntarily seek His heart voluntarily surrender to Him and voluntarily love Him with all their heart soul and mind and strength **Brides of Christ** Mary Potter, 1958 *Brides of Christ* Asunción Lavrin, 2008-05-13 *Brides of Christ* is a study of professed nuns and life in the convents of colonial Mexico Secrets of the Brides Joy Roberts, 2021-10-09 *Secrets of the Brides* is a provocative study in typology which will introduce readers to the inner dimensions of Scripture Typology was the predominant method of study in Jesus day Rabbis applied four levels of study to the Word of God They are peshat the simple meaning of the text remez allusion to something more derush inference and application and sode secrets This book applies these principles to explore the accounts of seven biblical brides and their bridegrooms Their lives were living allegories performed under the careful orchestration and gaze of the Holy Spirit and their stories are laced with prophetic codes for the Bride of Christ From the first chapters the reader will be progressively led out of the shallows into deeper more complex revelations buried in the etymology of the Hebrew words the Feasts of the Lord the Millennial Week and the book of Revelation The casual reading of the stories of these brides is like viewing the tip of an iceberg It is beautiful on the surface of the water but underneath that shining tip the enormity of its foundation sitting there in the deep stillness invokes a disquieting reverence This book will introduce those who have not been exposed to the beauty of the types to another satisfying and exciting level of hermeneutics and interpretation The investigative journey will not ask the student to subscribe to a certain eschatological scenario but will cause him to reconsider how he relates to the Word of God and how he worships its author The author has been a student and teacher of Old Testament and Hebraic Studies for three decades She waits for the midnight call in Texas with her husband of thirty nine years her two children their spouses and six

grandchildren Maranatha The Bride of Christ - A Metaphor for the Church Norbert Schnell, 2020-01-01 Lumen gentium the Dogmatic Constitution on the Church of the Second Vatican Council uses various images to speak about the Church This study is about the Church as the Bride of Christ Unlike the great images of the Church as the People of God and the Body of Christ the image of the Church as the Bride of Christ has never been extensively examined since the Second Vatican Council The current research is a biblical and systematic theological study of this image Its main question is what this metaphor can tell us about the essence of the Church and what its consequences are for the life of the Church today Norbert Schnell priest of the Archdiocese of Utrecht rector of Bovendonk training college for the priesthood and permanent diaconate Breda Netherlands

Brides of Christ Jessica Peyton Bell, 2008 ABSTRACT Throughout history scholarship on Gianlorenzo Bernini's Ecstasy of Saint Teresa in the Cornaro Chapel has wrangled with issues of sexuality and the religious image and has never fully elucidated the mystical narrative of the altarpiece Through a cultural contextualization and review of the literature on both the Baroque and Bernini it is possible to begin a proper reading of the subject of eroticism in his work By establishing the foundations of mysticism and moving forward from a medieval precedent rather than backward from the contemporary period any notions of profanity within Bernini's work become appropriately aligned with the sacred

Beyond Da Vinci John Ingram, 2006-07-27 The History of mankind is very cyclical How often has it been said history repeats itself Since time immemorial a repetitive theme in the human drama is Gnosticism a teaching that special hidden knowledge leads to spiritual enlightenment Gnostic myths have also focused on the sexual union of gods or goddesses with humans The recent furor over the fictional novel and movie The Da Vinci Code has once again challenged the authenticity of the Christian Gospel and brought new focus on Gnostic myths Readers and movie goers are encouraged to accept the dubious writings of lost gospels and reject the canonical teachings of the Bible In those 2nd and 3rd century sources the real Jesus who interacted with leaders cared for the weak and sick even loving the dregs of

society is exchanged for a strange creature that only appears to be human and bears no likeness to the Jewish man who died on a cruel Roman Cross Beyond Da Vincipresents the real Jesus through the rich nuptial imagery of the Old and New Testaments The reader meets the true Bride of Christ and learns of the incredible consummation of Bride and Bridegroom that is yet to come Are there false Brides Was Jesus of Nazareth married Was he just a man or was he divine Come partake of this incredible journey through the greatest romance of history a journey to the truth *Who's Bride Are You? The Bride of Jesus Christ? Or the Bride of This World?* Dolores Knight,2015-07-15 This book is a wake up call for the bride of Christ Early in the morning the spirit of God spoke unto me Daughter it s time to awaken my bride for I m soon coming to take my bride home meaning my true bride to warn or to awaken the body of Christ who is sleeping He said time is running out That s why it s so important to be watchful and alert and to know the bridegroom This book will teach you to know him as your bridegroom It will teach you to know his voice It will teach you how to have a personal relationship with him This book will have every Christian taking inventory of their lifestyle and the example they are living here on earth It will teach you how to make ready for his coming It will teach you to have a personal experience with him on daily basis It teaches you how to let the Holy Spirit lead you and direct you in the right path It teaches you to make the right decisions in life It teaches you how to change your way of speaking have the angels of God on your side and have heaven backing you up It will teach you to have understanding about the bridegroom and why God created you It also tells of the visions God gave me concerning his brides and why most of the body of Christ will not be ready for his coming It will also give you revelations and how to discern the time of his coming so that he may find you and how to discern the time of his coming so that he may find you ready and waiting The sign and the time are here Look and open your eyes Things are happening in this world today that you wouldn t think or imagine to happen signs of wars the killing of Christians storms famines a new generation of power What s in it for me I hope and pray you make ready for the biggest wedding that s about to take place **Brides of Christ** ,1991 **The Bride of Christ Goes to Hell** Dyan Elliott,2011-11-16 The early Christian writer Tertullian first applied the epithet bride of Christ to the uppity virgins of Carthage as a means of enforcing female obedience Henceforth the virgin as Christ s spouse was expected to manifest matronly modesty and due submission hobbling virginity s ancient capacity to destabilize gender roles In the early Middle Ages the focus on virginity and the attendant anxiety over its possible loss reinforced the emphasis on claustration in female religious communities while also profoundly disparaging the nonvirginal members of a given community With the rising importance of intentionality in determining a person s spiritual profile in the high Middle Ages the title of bride could be applied and appropriated to laywomen who were nonvirgins as well Such instances of democratization coincided with the rise of bridal mysticism and a progressive somatization of female spirituality These factors helped cultivate an increasingly literal and eroticized discourse women began to undergo mystical enactments of their union with Christ including ecstatic consummations and vivid phantom pregnancies Female mystics also became increasingly intimate

with their confessors and other clerical confidants who were sometimes represented as stand ins for the celestial bridegroom The dramatic merging of the spiritual and physical in female expressions of religiosity made church authorities fearful an anxiety that would coalesce around the figure of the witch and her carnal induction into the Sabbath
