Bridge Between Two Worlds:

The Bridge Between Two Worlds Pantiliu Ruangmeiluh, 2025-07-27 The Bridge Between Two Worlds Dreams of an Unequal World is not just a story it is a crossing born of two dreams and stitched with real lives real wounds and real silences that history tried to bury At its heart flows the haunting testimony of Uncle Elunglei a young boy of the Zeme tribe who survived a massacre no child should ever witness From this dream rises another a vision where voices long forgotten speak through rivers bamboo groves and borderlands guarded by the Konyak the Reang in the heart of the forest and the Rongmei tribes Through dreamlike visions and memories passed down in whispers author Pantiliu Ruangmeiluh bridges the divide between the seen and the unseen between tribal lands scarred by injustice and the global legacies of women like Haipei Rani Gaidinliu Eva Per n Princess Diana and Mother Teresa who each carried crowns of grace and controversy alike These pages are not written to accuse but to remember Not to wound but to heal They are a mourning song for the unnamed a prayer for the children who survived horror without apology and a testament that even the deepest silences can one day speak If you have ever wondered who is written into history and who is written out step onto this bridge Walk between two dreams Listen for the river of memory flowing beneath each line And remember with the author that the unnamed are not unloved they are only waiting to be heard The Bridge Between Two Worlds is for those who believe that memory like water will always find a way through stone

The Bridge Between Two Worlds Abby Ann Judson, 1894 *The Bridge Between Two Worlds* Abby A. Judson, 2015-06-16 Excerpt from *The Bridge Between Two Worlds* Marie Corelli s fascinating book *The Romance of Two Worlds* has familiarized the public with the notion that by Two Worlds are meant this sub lunar earth plane where we mortals now dwell and the spheres beyond where the so called dead live and think and act In order that one who hears the title of the present book may at once divine its scope we have called it *The Bridge Between Two Worlds* But strictly speaking this Bridge serves to connect not two worlds but rather the lowest stratum with the strata beyond of the one terrestrial sphere the lowest stratum being inhabited by spirits who are still encumbered by a fleshly body and the strata beyond by spirits who have passed out of the fleshly body and who retain the spirit body so well adapted to their more ethereal dwelling place The whole terrestrial sphere in its more etherealized portions extending far beyond the physical moon is a unit the inhabitants of all parts of it are related to each other more closely than they can be related to those who dwell in the spheres of the neighboring planets and there are means by which those who still dwell on the surface of the planet can communicate with those who have passed beyond their plane and receive aid from them in regard to their own spiritual development About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the
