

THE
DYNAMICS
OF
HUTTERITE
SOCIETY

An Analytical Approach

Karl A. Peter

Dynamics Of Hutterite Society

Daniel F McAuley

Dynamics Of Hutterite Society:

The Dynamics of Hutterite Society Karl A. Peter, 1987 In this book Karl A Peter perceives the Hutterites as an ongoing sociocultural entity constantly adapting to environmental political and social circumstances rather than as a static society

A Geography of the Hutterites in North America S. M. Evans, 2021-10 A Geography of the Hutterites in North America explores the geographical diffusion of the Hutterite colonies from the bridgehead of Dakota Territory in 1874 to the present distribution across North America Looking further than just maps of location this book analyzes the relationship between parent and daughter colonies as the Hutterite population continues to grow and examines the role of cultural and demographic forces in determining the diffusion process Throughout this geographical analysis Simon M Evans pays due attention to the Hutterites contribution to the cultural landscape of the Canadian Prairies and the American Great Plains as well as the interactions that the Hutterites have with the land including their agricultural success With over forty years of research and personal interactions with more than a hundred Hutterite colonies Evans offers a unique insight into the significant role that the Hutterites have in North America both currently and historically This study goes beyond the history life and culture of this communal brotherhood to present a new geographical analysis that reports on current and ongoing research within the field The first narrative to be published regarding Hutterites in nearly a decade A Geography of the Hutterites in North America is a valuable resource for scholars and students alike

When Prophets Die Timothy Miller, 1991-01-01 When the charismatic founder leader of a religious movement dies the popular belief is that the movement usually disintegrates However many new religions not only survive but prosper despite leadership transition In this book prominent scholars examine what happened to eleven new movements following the deaths of their leaders and why An Introduction by J Gordon Melton serves to integrate the case studies

[Andreas Ehrenpreis and Hutterite Faith and Practice](#) Wes Harrison, 1997 This is a ground breaking study of Andreas Ehrenpreis leading 17th century bishop and second founder of the Hutterites Wes Harrison s study makes it clear that Ehrenpreis importance goes far beyond insuring survival for the Hutterites By reiterating restating and rebuilding Hutterites beliefs core communitarianism and patterns of authority Ehrenpreis set the course of Hutterite history ever since Volume 36 in the Studies in Anabaptist and Mennonite History Series

Hutterites Samuel Hofer, 1998 The Hutterites is an ambitious undertaking for a young man who ran away from a Hutterite colony in 1983 and became successful as a writer and illustrator of classic books which document his Hutterite childhood Born Hutterite and Dance Like a Poor Man In his latest undertaking years in the making Hofer has taken on nothing less than a complete and straightforward account of the Hutterite experience an explanation of its religious basis and the source of its communal life the life cycles from birth to death and nearly 500 years of history of this most successful of the anabaptist Christian sects right up to present day schisms and struggles to survive into the 21st Century What makes The Hutterites Lives and Images of a Communal People unique among books dealing with Hutterites is the author s insightful and

equitable perspective on his subject Unlike other Hutterite who have left the ark of communal life Hofer has no bones to pick no great cause to espouse While the book is peppered with engaging anecdotes of his Hutterite upbringing he describes the Hutterite experience with the objectivity and dispassion worthy of a professional historian or sociologist but in plain language stripped of jargon and pretense His accessibility to the Hutterite communities and to others who have left the colonies has given him a wealth of stories and examples which help to make the Hutterite experience vivid and engaging A reader comes to know not just about the Hutterites but also what it is like to be a Hutterite The work is studded with 140 photographs a valuable visual record in itself While scholars will treasure this work for both its breadth and its detail casual observers of Hutterite life will find it both an easy and an illuminating read Hofer has written for the common reader who is curious about the people whose dress and language have set them apart from the multitude of other cultures not just for professors or for other disaffected Hutterites He pierces the myth and misconceptions that have arisen about the communal people and builds a bridge of understanding that may be crossed by anyone conscious of our common humanity In doing so he has created that rare book that not only informs but serves the cause of goodness

American Communes, 1860-1960 Timothy Miller, 1990
Mid-American Review of Sociology, 1987 **Material History Bulletin**, 1991 **Material History Review**, 1991
Folk Johannes Nicolaisen, Jens Yde, 1995 **Mennonite Society** Calvin Redekop, 1989-06 *Human Biology* Raymond Pearl, 1994 Includes section Recent literature useful in the study of human biology *Encyclopedia of American Folklife*, 2006 Offers approximately 270 essays on topics in American folklife as diverse as chain letters the Internet Little Havana fans of heavy metal music Wiccans and zydeco Utopian Studies, 1995 **The Canadian Forum**, 1987-04 The Family Dynamic Margaret Ward, 2001 **Multiculturalism in Canada** Jean R.
