but he d learned to trust his premonitions Trouble was on the way He dove into the water The ocean was a seething mass A wave crashed over Nic s head Even in his man form he could hold his breath much longer than a human But his animal wanted out Nic dove deep and let the shift take him Energy rippled over his skin For a few seconds his body was a cluster of incandescent lights blue purple green before shaping itself into the powerful body of his sea dragon Nic arced in and out of the waves reveling in the slide of salt water over his skin He had rudimentary wings and could fly in short spurts but the ocean was his element A school of common dolphins scattered at his approach chittering anxiously to each other In this form Nic measured twenty five feet from nose to tail and he had the teeth and claws to match Nic ignored them He might be a half savage dragon but he drew the line at eating something as intelligent as him In the sky above lightning flashed followed by a crash of thunder Rain slashed down pelting his dark gold hide He dove beneath the waves stopping a couple hundred feet down Above him the storm still raged but this deep the sound was muted the black waters calm He glided through the midnight liquid the premonition riding him like an itch that couldn t be scratched teasing at a part of him buried so deep he could go weeks without thinking about it Trouble Cassidy O Byrne Pain sliced through him fresh as the day he d left Ireland and her He gritted his teeth and bore it Then his spine prickled His dragon was racing for the surface before his mind caught up Cassidy was here and she was in danger
