Island Infernos John C. McManus,2021-11-09 In Fire and Fortitude winner of the Gilder Lehrman Prize for Military History John C McManus presented a riveting account of the US Army s fledgling fight in the Pacific following Pearl Harbor Now in Island Infernos he explores the Army s dogged pursuit of Japanese forces island by island throughout 1944 a year that would bring America ever closer to victory or defeat A feat of prodigious scholarship The Wall Street Journal Wonderful St Louis Post Dispatch Outstanding Publishers Weekly Rich and absorbing Richard Overy author of Blood and Ruins A considerable achievement and one that importantly adds much to our understanding of the Pacific War James Holland author of Normandy 44 After some two years at war the Army in the Pacific held ground across nearly a third of the globe from Alaska s Aleutians to Burma and New Guinea The challenges ahead were enormous supplying a vast number of troops over thousands of miles of ocean surviving in jungles ripe with dysentery malaria and other tropical diseases fighting an enemy prone to ever more desperate and dangerous assaults Yet the Army had proven they could fight Now they had to prove they

could win a war Brilliantly researched and written Island Infernos moves seamlessly from the highest generals to the lowest foot soldiers and in between capturing the true essence of this horrible conflict A sprawling yet page turning narrative the story spans the battles for Saipan and Guam the appalling carnage of Peleliu General MacArthur s dramatic return to the Philippines and the grinding jungle combat to capture the island of Leyte This masterful history is the second volume of John C McManus s trilogy on the US Army in the Pacific War proving McManus to be one of our finest historians of World War II

Footprints of the Montford Point Marines Eugene S. Mosley,2022-01-15 *Footprints of the Montford Point Marines* explores historic information about the Montford Point Marines and also my dad Corporal Thomas Mosley while serving with the first group of African American Marines in the United States This is the story of a brief period of his life from Montford Point Camp to the Pacific in World War II and seventy years later being awarded the Congressional Gold Medal by Congress These men came from all parts of the United States to the South to train at a segregated facility called Montford Point Camp adjacent to Camp Lejeune North Carolina the largest all purpose Marine base in the world It had the best equipment for all types of military training but these new black enlistees at the adjacent Montford Point Camp were not allowed to enter unless accompanied by a White officer Camp Lejeune was exclusive to White Marines and their families only With World War II looming the government needed all hands on deck and created millions of new jobs in preparation but continued keeping Blacks out of the job market and housing With the pressure imposed by groups such as the NAACP President Franklin D Roosevelt had to rethink these exclusions at least in the federal workplace and through negotiations with many groups led by A Philip Randolph Executive Order 8802 was issued by President Roosevelt on June 25 1941 to counter racial discrimination The U S Marine Corps was part of the defense industry and as a result had to open their ranks to African Americans who wished to serve The Montford Point Marines became giants in the Asiatic Pacific and were some of the greatest heroes this country has ever known Through swamps hills and worse terrain under heavy enemy gunfire they were able to supply ammunition fuel food and medical supplies to troops on the front lines where most others had failed They were also charged with removing the dead and wounded back to the safety of the ships waiting offshore Eventually they were called to the front lines and fought in every major battle in the Pacific islands Some seventy years later on June 27 2012 approximately four hundred of these brave men mostly in their eighties and nineties finally received their just recognition by receiving Congressional Gold Medals Other families received the medal posthumously From 1942 to 1949 the 19 168 Montford Point Marines paid the price so others could follow in their footprints to continue the legacy of the few the proud the Marines Semper Fidelis Always Faithful They were also known as The Chosen Few [Human Dignity, Human Rights, and Social Justice](#) Zhibin Xie,Pauline Kollontai,Sebastian Kim,2020-06-25 This book explores human dignity human rights and social justice based on a Chinese interdisciplinary dialogue and global perspectives In the Chinese and other global contexts today social justice has been a significant topic among many disciplines and we believe it is an appropriate topic for philosophers

Dal colonialismo francese in Indocina alla controcultura americana* Rossella Marisi,2015-04-09 Scientific Essay from the year 2015 in the subject Musicology Miscellaneous language Italian abstract La partecipazione politica pu essere definita un attivit esa ad esercitare un influenza

su decisioni collettivamente vincolanti all'interno di uno specifico sistema sociale. Dunque fa politica sia chi attuando determinati comportamenti esprime sostegno alla linea seguita da coloro che detengono il potere sia chi al contrario cerca di influenzarli affinché precisino o addirittura mutino la loro strategia di azione. In entrambi i casi il soggetto riceve le informazioni sulla situazione, le seleziona e le valuta alla luce di determinati criteri. I messaggi propagati dai mezzi di comunicazione di massa hanno un forte potere persuasivo ma esso è limitato da quello degli opinion leader percepiti dall'individuo o dal gruppo come competenti sull'argomento in questione e più vicini al suo stesso modo di pensare. Sotto l'influsso degli opinion leader individui e gruppi possono attuare varie forme di partecipazione politica come ad esempio prendere parte ad una manifestazione o ad una discussione politica, scrivere commenti politici a giornali o personaggi politici, votare. Uno degli strumenti più efficaci per far circolare rapidamente ed efficacemente le informazioni, stabilire dei valori condivisi e sostenere la motivazione dei partecipanti ad un'attività politica, la canzone politica. Essa costituisce un terreno privilegiato di studio e ricerca sui fenomeni politici perché può essere esaminata a diversi livelli investigandone il testo verbale e musicale, analizzando il contesto in cui sorge, le occasioni e i modi in cui viene cantata, le caratteristiche identitarie di coloro che elettivamente la cantano e di coloro che invece la rifiutano, le circostanze che portano ad evoluzioni nel suo uso e quelle che conducono al suo accantonamento o abbandono. Essendo dotata di parole che recano usualmente abbastanza espliciti riferimenti alla realtà e di musica che seppure in maniera più velata può ugualmente contenere riferimenti alla realtà esterna, la canzone politica può essere considerata una forma di lettura e commento della realtà. Inoltre, per la sua precipua finalità espressivo comunicativa, può essere ritenuta uno strumento di definizione dell'identità, un mezzo per rinforzare i legami di solidarietà sociale, un metodo per ispirare e sostenere la partecipazione e uno step di un percorso di apprendistato politico.
