Eagles Gather:

Where the Bald Eagles Gather Dorothy Hinshaw Patent,1990-04 A vivid description in text and photographs of the annual gathering of bald eagles in Glacier National Park and of a wildlife research project to study the life cycle of our national bird ALA Booklist 47 black and white photographs

Where the Bald Eagles Gather Dorothy Hinshaw Patent,1984-01-01 A vivid photo essay describes the annual fall gathering of bald eagles in Glacier National Park Montana

Return of the Eagle Greg Breining,2008-02-26 This is the story of how a nation reversed a silent spring and saved the bald eagle from extinction This bird of prey was declared the national symbol in 1782 but by the 1960s pollution and development had wiped out all but a few dozen Grassroots movements started the American consciousness was raised to all environmental threats and federal laws were passed to keep the eagle population alive This stunning book of full color photographs and touching stories chronicles this inspiring success story with awe inspiring shots of eagles in flight There is also a one of a kind directory to more than 150 areas in the nation where eagles are likely to be seen in the wild soaring once again against the blue skies of freedom This book is a monument to the efforts that combined animal instinct for survival with the power of the human spirit to change the world

The Non-Violent Radical Charles McCollough,2012-06-01 This book interprets the wisdom of Jesus sayings in the gospels in words and images McCollough examines Jesus wisdom in the context of the political and economic world of the Roman Empire and then applies it to our own time for both personal growth and social action Original works of art by McCollough illustrate the texts of these sayings and can be used in private reflection worship and educational settings In addition readers may use the images for newsletters church bulletins and program announcements A DVD with color images of many more illustrations of the book is available from the author The short wisdom sayings of Jesus are almost always interpreted as private or interpersonal instruction and ignore the political economic context of his time The result is often sentimental piety or otherworldly speculation Yet it is hard to imagine that Jesus and his followers were blind to the tyranny of Rome and the economic exploitation of a tiny minority over the vast majority of people living desperate lives in the Roman colonies This book uses the insights of formerly colonized Bible readers in the non Western world to understand the postcolonial meanings of Jesus time and our own
