Early Missionary Preaching:

Pioneers in Mission Robert Pierce Beaver, 1966 **Early Missionary Preaching** C. A. Joachim Pillai, 1979-01-01

After the Apostles John Foster, 1951 Paul the Missionary Eckhard J. Schnabel, 2010-01-28 Drawing on his monumental scholarly study *Early Christian Mission Volume 2* Eckhard J. Schnabel gives us an overview of Paul's missionary practices, strategies, and methods, and then weighs contemporary evangelical missiology and practice in light of Paul. Encyclopedia of Early Christianity Everett Ferguson, 2013-10-08 First published in 1997. What's new in the Second Edition? Some 250 new entries, twenty-five percent more than in the first edition, plus twenty-five new expert contributors. Bibliographies are greatly expanded and updated throughout. More focus on biblical books and philosophical schools, their influence on early Christianity, and their use by patristic writers. More information about the Jewish and pagan environment of early Christianity. Greatly enlarged coverage of the eastern expansion of the faith throughout Asia, including persons and literature. More extensive treatment of saints, monasticism, worship practices, and modern scholars. Greater emphasis on social history and more theme articles. More illustrations, maps, and plans. Additional articles on geographical regions. Expanded chronological table. Also includes maps. **The Early History of the Church Missionary Society for Africa and the East to the End of A.D. 1814** Charles Hole, 1896 **The missionary Church of England, 6 sermons preached at St. James's, Piccadilly**, 1877 **Saint Paul and the First Christian Missionaries** Episcopal Church. Diocese of New York. Sunday School Commission, 1902 **Preaching on Social Suffering** Jeremy Kangsan Kim, 2023-03-01 In this book, Jeremy Kim criticizes current Korean and Asian American homiletical strategies for their lack of a theological point of view on social suffering. He argues that preachers must develop an alternative theological homiletical viewpoint on social suffering, one that has pastoral and prophetic approaches. These two approaches offer people a refuge and a voice not only in the church community but also in the larger social community. Thus, the author suggests that preachers adopt the biblical lament, highlighting its dual tasks of compassion (the pastoral dimension) and resistance (the prophetic dimension). The author, who is a non-Western Asian American preacher, also incorporates East Asian philosophical and hermeneutical research on a positive element of Confucianism into his argument. He applies this core concept of Confucianism to the preacher's homiletical strategy toward social suffering. Thus, the author proposes that Korean preachers should recover *ren*, which contains sincere compassion for others as well as a voice of resistance that reveals unjust social structures as the cause of social suffering and expresses both within and to the community. **The Development of the Sunday-school, 1780-1905** International Sunday-school Association. Executive Committee, International Sunday-school Convention of the United States and British American Provinces, 11th, Toronto, Ont. 1905, 1905 Early Christian Mission: Paul & the early church Eckhard J. Schnabel, 2004 In a two-volume work, Eckhard J. Schnabel offers a comprehensive and definitive examination of the first century of missionary expansion from Jesus to the last of the apostles. Missions, States, and European Expansion in Africa Chima Jacob Korieh,Raphael Chijioke Njoku,2007 Missions States and European Expansion in Africa aims to explore the ways Christianity and colonialism acted as hegemonic or counter hegemonic forces in the making of African societies As Western interventionist forces Christianity and colonialism were crucial in establishing and maintaining political cultural and economic domination Indeed both elements of Africa s encounter with the West played pivotal roles in shaping African societies during the nineteenth and twentieth centuries This volume uses a wide range of perspectives to address the intersection between missions evangelism and colonial expansion across Africa The contributors address several issues including missionary collaboration with the colonizing effort of European powers disagreements between missionaries and colonizing agents the ways in which missionaries and colonial officials used language imagery and European epistemology to legitimize relations of inequality with Africans and the ways in which both groups collaborated to transform African societies Thus Missions States and European Expansion in Africa transcends the narrow boundaries that often separate the role of these two elements of European encounter to argue that missionary endeavours and official colonial actions could all be conceptualized as hegemonic institutions in which both pursued the same civilizing mission even if they adopted different strategies in their encounter with African societies *An Ideology of Revolt* Jerome H. Neyrey SJ,2007-05-01 Behind the triumphant proclamation of Jesus as God in the Fourth Gospel stands a history of alienation intense conflict and crisis Jerome Neyrey unearths that history by showing how the Gospel s Christology functions as a cipher for the Johannine community s estrangement and eventual revolt from its roots in the synagogue In Part One Neyrey offers a fresh full exegesis of the controversies over Jesus s eschatological and divine powers which underlay the Gospel s confession of Jesus as equal to God Part Two deftly employs social science modeling for a rigorous and enlightening reconstruction of the worldview of John s community as it evolved through stages of controversy that propelled Christians into an exaltation of Christ and a radical devaluation of this world an ideology of revolt A paradigm of interdisciplinary biblical research *An Ideology of Revolt* discloses the irony and scandal of John s community and of John s Christ **Church Missionary Sermons. No. 1. Europe's First Call for the Gospel** Robert Douglas (Vicar of St. Stephen's, Sheffield.),1871
