Cry Dignity! John L. Peters, 1988-01-01 **Cry Dignity!** John Leland Peters, 1976 *Zionism through Christian Lenses* Carole Monica Burnett, 2013-03-12 Dear to the hearts of many Christians is the land of the Bible which today is convulsed by strife Contradictory claims about the past present and future of this land can bewilder us The essays in this volume invite Christians of every denomination to share in perspectives that are solidly grounded in Scripture and tradition yet serve as alternatives to the currently prevailing approaches A Lutheran two Roman Catholics two Episcopalians one of whom is also a member of the American Baptist Church an Eastern Orthodox Christian and a Congregational United Church of Christ pastor explore the ramifications for today's ongoing crisis of ancient Israel's Covenant of the early church's theological insights and of the post Reformation experiences of various branches of Christianity *Brain Death and Disorders of Consciousness* Calixto Machado, D. Alan Shewmon, 2004-03-31 Although some decades have passed there are still worldwide controversies about a concept of human death on neurological grounds There are also disagreements on the diagnostic criteria for brain death whether clinical alone or clinical plus ancillary tests Moreover some scholars who were strong defenders of a brain based standard of death are now favoring a circulatory respiratory standard The study of coma is extremely important because lesions of the brain are responsible for quality of life in patients or cause of death The main goal of *Brain Death and Disorders of Consciousness* is to provide a suitable scientific platform to discuss all topics related to human death and coma

flourish If we embed our theological grammars of flourishing in the doctrine of salvation as the doctrine in which theological flourishing talk is arguably rooted and from which rich fruit may be borne there is not one but various ways in which to speak about what it means to flourish Yet what governs our speaking Why do we speak of flourishing as we do The various conceptions of human flourishing that are outlined in this book piety joy and comfort being fully alive healing and dignity grace happiness and blessing represent a collection of attempts not only to imagine human flourishing but also to imagine ways of speaking about human flourishing Perhaps what theology could offer to the vibrant and robust conversations on human flourishing lies exactly in the reminder to take care about how we speak about that which is truly and deeply human our longing to flourish *Truth*, 1885 **Our Word is Our Weapon** Subcomandante Marcos, 2002-05-07 In this landmark book Seven Stories Press presents a powerful collection of literary philosophical and political writings of the masked Zapatista spokesperson Subcomandante Insurgente Marcos Introduced by Nobel Prize winner Jos Saramago and illustrated with beautiful black and white photographs Our Word Is Our Weapon crystallizes the passion of a rebel the poetry of a movement and the literary genius of indigenous Mexico Marcos first captured world attention on January 1 1994 when he and an indigenous guerrilla group calling themselves Zapatistas revolted against the Mexican government and seized key towns in Mexico's southernmost state of Chiapas In the six years that have passed since their uprising Marcos has altered the course of Mexican politics and emerged an international symbol of grassroots movement building rebellion and democracy The prolific stream of poetic political writings tales and traditional myths that Marcos has penned since January 1 1994 fill more than four volumes Our Word Is Our Weapon presents the best of these writings many of which have never been published before in English Throughout this remarkable book we hear the uncompromising voice of indigenous communities living in resistance expressing through manifestos and myths the universal human urge for dignity democracy and liberation It is the voice of a people refusing to be forgotten the voice of Mexico in transition the voice of a people struggling for democracy by using their word as their only weapon **Likumbi Lya Mize and Other Luvale Traditional Ceremonies** Patrick Wele, 1993 **National Magazine**, 1916 *The National Magazine*, 1916 *The Overland Monthly*, 1919 [A commentary on st.
