## **Biographical Studies:**

Biographical Life Course Research Ann Nilsen,2023-12-13 This open access book explores an approach that connects individual and societal processes throughout history and shifting trends in sociological perspectives influenced by C Wright Mills theories of time and temporality It traces its origins from American pragmatist thought and Chicago qualitative sociology in the early 20th century to the revival of biographical research in European and American sociology during the 1970s The book shows empirical studies from this vibrant research approach can bridge methodological gaps between qualitative and quantitative biographical studies applicable to various topics like class gender ethnicity and intergenerational dimensions

*Biographical Research* Brian Roberts,2002 This book considers the methodological and theoretical questions associated with the use of life stories oral histories personal narratives autobiographies and biographies as they are incorporated into sociological ethnographic and narrative studies The collection and interpretation of materials the uses of biographical research the interview relationship the construction of the story memory and audience are all considered Roberts teaches sociology at the University of Huddersfield The book is distributed by Taylor and Francis Annotation copyrighted by Book News Inc Portland OR

Biographical Research and New Social Architectures Lyudmila Nurse,Maggie O'Neill,Lisa Moran,2024-04-23 This volume focuses on the place of biographical research in social futures and its creative applications in the new unprecedented societal circumstances caused by the COVID 19 pandemic

*SAGE Biographical Research* John Goodwin,2012-06-25 Biographical research may take a range of forms and may vary in its application and approach but has the unified and coherent aim to give voice to individuals The central concern of this collection is to assemble articles from sociology social psychology education health criminology social gerontology epidemiology management and organizational research that illustrate the full range of debates methods and techniques that can be combined under the heading biographical research

Volume One *Biographical Research Starting Points Debates and Approaches* explores the different biographical methods currently used while locating these within the history of social science methods

Volume Two *Biographical Interviews Oral Histories and Life Narratives* focuses on the more established interview based biographical research methods and considers the analytical strategies used for interview based biographical research

Volume Three *Forms of Life Writing Letters Diaries and Auto Biography* considers the value of data contained within letters diaries and auto biography and illustrates how this data has been analyzed to reveal biographies and their social context

Volume Four *Other Documents of Life Photographs Cyber Documents and Ephemera* focuses on the other human documents and objects like photographs cyber documents emails blogs social networking sites webpages and other ephemera such as official documents that are used extensively in biographical research
