Barr, 1891 *Temple Bar*, 1894 *Thom's Official Directory of the United Kingdom of Great Britain and Ireland for the Year ...*, 1895 **Great Pirate Stories** Joseph Lewis French, 1922 Great Pirate Stories is a collection of extracts of tales of pirates whether fictional or not there is no clear indication which are and aren't you would have to look up each original book for that The tales range in dates from as early as 1621 to the 19th Century which results in the use of a great range of styles of English language the 1621 account might be a little difficult to read for some due to the more arbitrary use of grammar and spelling of the time Each extract gives a snippet of a particular encounter with pirates whether from the pirate's perspective and standpoint or that of their victims or

onlookers to the events Each account is short and wets the appetite for more story before suddenly ending I m in half a mind to track down each of the original books for more details Some accounts are quite intriguing and bring to mind a number of questions about the content anything from the realism to the accuracy could be questioned down to the motives and what exactly did happen next This book does not confine itself to European based pirates wherever they then roamed but also brings out accounts of Chinese Malay and various other less well known pirate groups at least less well known to me having done little studies of the topic Some pirate names are quite familiar though such as Barbarossa or Morgan If you have an interest in pirates and pirate stories this book is a good little gem that ll unearth other gems for you Carole s Reviews

Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
