Cheating On Anna:

Cheating on Anna Francine Pascal,1999-10 *Platonov* Anton Chekhov,2016-05-16 THE STORY PLATONOV is Chekhov's first play and it went unproduced during his lifetime Finding himself on a downward spiral fueled by lust and alcohol Platonov proudly adopts as his motto speak ill of everything A shining example of the chaos that reigned in his era Platonov is a Hamlet whose father was never murdered a Don Juan who cheats on his wife and his mistress and the hero of the as yet unwritten great Russian novel of his day **Frozen 3 Script. The Fire Awakens** Ion Bogdan Purcaru,2020-05-31 It is March 2020 I am working at a sales agent in the roof industry and I have decent income It's risky because I have to climb old buildings roofs but I like it Suddenly due to COVID 19 my county dictates a state an emergency and I have no other choice but to stay with my kids at home My wife is working in the medical system so it's her duty to help by going to work Because she had a greater risk to be infected by the new virus I had to stay alone with my kids to protect my older parents that were helping me before prior the COVID era I love my kids a boy age five and a girl age two so I've made everything possible to take care of them while keeping them entertained I've cooked sang played with them in every possible way and from time to time we've watched an animation movie One of those movies watched together was Frozen 2 After we've watched the movie with the kids enjoying it some ideas engulfed my mind I wrote my ideas into a word document called Frozen 3 script John Steinbeck said Ideas are like rabbits You get a couple and learn how to handle them and pretty soon you have a dozen My rabbits multiplied therefore after one month of writing and watching over my kids the script was ready It wasn't perfect as it had many spelling and expression problems as I am not a native English writer but the ideas inside and the actual story were in my opinion at least great You see I wrote before self published a book on Amazon and I have an YouTube Channel where I wrote stories and amazingly 33k subscribers enjoyed the way I write despite in English the imperfect style I know when a story has a lot of potential that's why I've decided to share the story to Disney the legal owners of Frozen God knows I've tried every possible way to contact them but I've always received the same answer It's our policy not to accept any unsolicited creative ideas and submissions and other similar replies After one and a half month of trying and failing to contact anyone from Disney I am tired so I've decided to publish the script because I love it and I don't want to die buried deep inside my computer's bits I don't have time to correct it thoroughly or adapt it from a script to a literal form because the state of emergency ended fourteen days ago and I've returned to my job I have to work to sustain my family I want to share this story script to everyone interested to read it I want objective and honest answers about the actual story I won't mind if you criticize me for not using the best expression to describe the story or because of my misspelling yet the scope of this writing is to deliver an amazing story I wanted to imprint a Disney Frozen style logical not violent funny interesting dramatic and musical while maintaining everything we loved in Anna Elsa Kristoff Olaf and Sven including their personalities in a logical no nonsense story I also wanted to deliver a reason for Elsa's powers why was she born with the ability to create

school's homecoming king had a little too much in common with Henry VIII would you survive with your head still attached You'd think being the new girl in a tiny town would equal one very boring senior year But if you're me Annie Marck alias Cleves and you accidentally transform into teenage royalty by entering Lancaster High on the arm of the king himself Life becomes the exact opposite of boring Henry has it all he's the jock the genius and the brooding bad boy all in one Which sort of explains why he's on his sixth girlfriend in two years What it doesn't explain is why two of them two of us are dead My best friend thinks it's Henry's fault which is obviously ridiculous My nemesis says we shouldn't talk about it which is straight up sketchy But as the resident nosy new girl I'm determined to find out what really happened to Lancaster's dead queens ideally before history repeats itself

The Lessons of Petunia Rabbit Della Long Halper, 2019-04-25 *Petunia* is a story about guilt loss and redemption I wrote *Petunia* because it had been my professional experience that guilt and the difficulty in managing that emotion is perhaps the most ubiquitous bane of both children and young adults In a sizable percentage of cases the guilt acquired in childhood is still undiminished by those who have reached full adult and even older adult ages Although guilt is experienced by most people at some time in their existence there are simply too few guidelines when it comes to working through the discomfort that most feel when guilt becomes a part of their everyday thinking and feeling One of the more prevalent challenges encountered in the education and care of today's child is the responsibility parents and teachers undertake as they struggle to impart sensible and lasting guidelines in behavior choices The story of *Petunia Rabbit* provides an enjoyable matrix through which the caretaker has a basis for this undertaking *Petunia's* story demonstrates that even in the most dire of circumstances faith structure and tradition continue to be of lasting importance in the life of the developing child and ultimately becomes the sanctuary for the self hatred felt by a surprising number of youngsters and young adults in all levels of our society Many of today's children are overly protected in some venues but exposed to unacceptable age inappropriate pointlessly violent material as seen in video games on their computers on television and in films The core event in *Petunia's* story is a huge flood that devastates her family's life and those of most of the characters included in the story Using a natural

disaster as the impetus for events was a purposeful choice in that most individuals are able to identify with those events that result in the probability of altered lives and fortunes And while devastating natural disasters are not the result of purposeful or directed cruelty The story of Petunia provides an excellent basis of learning from models within the family and in society Petunia s story demonstrates the following 1 The necessity of a personal belief system to augment and strengthen individual coping abilities and societal structures which are often lost during chaotic events 2 The importance of fostering reliability competence caretaking and self respect 3 The value of developing an awareness of the feelings and struggles of others 4 The risk and uncertainty associated with impulsive behaviors 5 The ultimate worth of meaningful work interpersonal ties and education 6 The value of paying attention 7 The challenge of responsibility 8 The value of and need for suitable mentors 9 The importance of using resources wisely including emotional resources 10 The necessity of building a reputation for honor and integrity
