Cheshire Pathfinder:

Cheshire Neil Coates,2016 **A Pathfinder's Story** W. W. Robinson,2007-11-12 When he died in 1946 Flight Lieutenant Jack Mossop left behind a widow and child a chest full of medals and a diary He was 25 years old The diary gave tantalizing glimpses of his career sixty years on his son has uncovered the truth It is the story of an ordinary Durham lad called upon to perform extraordinary deeds Serving initially as a Wireless Operator in 49 Squadron he progressed to 76 Squadron under the legendary Leonard Cheshire and finished as a Deputy Master Bomber with the elite Pathfinder Group in 35 Squadron To complete even one tour of duty was against the odds To complete a second and then to volunteer for a third was nigh on incredible Small wonder that one of his crewmates called him The bravest man I ever knew It is all the more tragic that he died a civilians death on board a BOAC Lancastrian after the war in suspicious circumstances which attracted the attention of the Prime Minister himself Jack saw most of the great actions of Bomber Command from the 1 000 bomber raids of 1942 to the Battles of the Ruhr and Berlin in 1943 and the daylight operations of Normandy before and after D Day His story stands as a microcosm of the entire bomber campaign Bill Robinsons account is a fascinating and stirring account of courage in war a tribute not only to one mans courage but also to the courage of the nameless thousands whose stories will now never be told **A Pathfinder's War** Ted Stocker,Sean Feast,2012-11-15 The only RAF flight engineer to be awarded a Distinguished Service Order recounts his prolific WWII combat career in this engaging military memoir Flight Lieutenant Ted Stocker lived a charmed life Joining the Royal Air Force as a teenager he trained as one of the famous Halton Aircraft Apprentices known as Trenchard s Brats Stationed at RAF Boscombe Down he flew prototype Stirling and Halifax bombers just as the Second World War broke out Qualifying as one of the RAF s first flight engineers he went on to join Bomber Command s elite Pathfinder Force Stocker was awarded the Distinguished Flying Cross in 1943 and eventually completed more than 100 bombing operations often as a master bomber Although his aircraft was frequently hit and he survived a crash landing Stocker was never wounded His achievements were recognized with the only known Distinguished Service Order issued to a flight engineer In this candid and fascinating memoir co written by acclaimed aviation historian Sean Feast Stocker relates his incredible tale of singular courage and miraculous survival **School Travel** Great Britain. Parliament. House of Commons. Transport Committee,2009 In a report out today HCP 352 session 08 09 ISBN 9780215529206 the House of Commons Transport Select Committee tells education and transport ministers they must do far more to produce a modal shift away from cars towards public transport dedicated school transport including Yellow Buses walking and safer cycling schemes for British school children The Transport Committee Chairman Louise Ellman MP says Young people deserve safe and affordable travel to education leisure and employment The journeys people make when young will influence their preferences and habits in adulthood Also Both the Department for Children Schools and Families and the Department for Transport urgently need to identify how they are going to ensure children and young adults are not denied

opportunities because public transport is either inadequate or too costly In particular travel should not present a barrier to accessing the new Diploma courses For similar reasons much more should be done to identify children eligible for free school transport The Committee recognise in their report that no single model will suit all situations and that car travel to school can be the most suitable method in some circumstances However they call on ministers to provide high quality guidance and examples of best practice to illustrate when a dedicated school bus system is appropriate top up the Education Maintenance Allowance for students from low income families and extend similar support for young people engaged in the new 14 19 diplomas do more to encourage local authorities to identify pupils eligible for free school transport consider the viability of a concessionary scheme offering reduced fares to young people ensure that the Department for Transport Department of Health and the Department for Children Schools and Families work together so that national policy and practical implementation at the local level deliver both value for money and a greater number of joint initiatives that promote walking and cycling help local authorities address the inherent tension between school choice and travel impact by raising awareness of sustainable school travel issues amongst parents and young people when they are selecting schools in rural areas review whether the maximum travel distance under which free transport may be provided allows for sufficient choice of schools monitor the effectiveness of School Travel Plans The Committee also calls on local authorities to consider new ways to fund and run innovative schemes that integrate transport health and educational objectives for school travel
