SPEAKING THE TRUTH IN LOVE

HOW TO BE AN
ASSERTIVE CHRISTIAN

RUTH N. KOCH & KENNETH C. HAUGK

Assertive Christian

Michael L. Emmons, David Richardson

Assertive Christian:

Speaking the Truth in Love Ruth N. Koch, Kenneth C. Haugk, 1992 Speak Up! Christian Assertiveness, 1985-01-01 In situations involving confrontation many Christians either explode and feel guilty or suppress their convictions and become depressed Here now is a way to counteract these experiences a how to guide to assertiveness based on sound evangelical principles

The Assertive Christian Michael L. Emmons, David Richardson, 1982-02-01 Attempts to determine if there is a conflict between Christianity and assertiveness and shows Christians how to become more aware of their feelings

Christian Perspectives on Being Human J. P. Moreland, David M. Ciochi, 2015-01-26 While there is a unity to truth from God's perspective there are nevertheless many different ways of knowing studying and defining that truth Thus the task of integration is the task of relating theology and other disciplines in such a way that one articulates and defends a comprehensive unified Christian worldview Christian Perspectives on Being Human is a vital step in that essential process of integration In this unique anthology colleagues from various departments at Biola University undertake an important multidisciplinary approach to integration J P Moreland and David Ciochi represent philosophy in this discussion Robert Saucy theology Sherwood Lingenfelter anthropology Nancy Duvall and Keith Edwards psychology Walt Russell and Scott Rae New Testament and medical ethics and Klaus Issler Christian education

No More Christian Nice Guy Paul Coughlin, Laura Schlessinger, 2007-03 Revised and Expanded Edition of a Life Changing Book Recovering nice guy Paul Coughlin points the way for all men who yearn to live a life of boldness and conviction like Jesus Using anecdotes from his own life powerful and poignant stories and vivid examples from our culture Coughlin shows how men can say no to the nice guy syndrome and yes to a life of purpose passion and vitality This radical and hopeful message elevates the true biblical model of manhood and now includes testimonials from men and women whose lives have been altered by this book

The Two Sides of the Golden Rule Martha Fehr M.A., Wes Fehr Ph.D., 2011-03-18 I believe that the Bible teaches assertiveness as the most mature biblical way of living In very simple terms assertiveness is when we say Come sit with me Let's talk about our relationship What is working for us and what needs to change When we are assertive we do not run and hide from relationship difficulties neither do we demand that things are done our way Instead we face the problems head on and in a calm but firm manner we address the issues that need to be resolved When I have been privileged to help people become assertive they have not only improved their interpersonal relationships they have developed a healthier self esteem and for people with a faith in God that relationship has also deepened Because I have seen such positive changes in the clients I have worked with I have become passionate about the importance of being assertive My own relationships have also improved when I have practiced assertiveness Before I worked as a counselor I taught school for several years Later as a counselor I wished that someone would design a course on assertiveness that could be used in the classroom If children would learn the value of assertive behavior early in life they would struggle less with relationships throughout their lives
