power and himself The self directed therapy helps and strangers who follow his online story virtually befriend him as it appears that his curse is mostly limited to those he is in close contact with However there is one stranger secretly following his story who isn't there to understand help or cheer him on just as Peter begins to understand that being born as a harbinger for death might actually be a blessing rather than a curse this stranger is intent on finding a way to use Peter's power for nefarious purposes
