Anton Weiss-Wendt

Absence Presence Essays Reflections On:

The Absent Image Elina Gertsman, 2021-06-22 Winner of the 2022 Charles Rufus Morey Award from the College Art Association Winner of the 2023 Otto Gr ndler Book Prize from Western Michigan University Guided by Aristotelian theories medieval philosophers believed that nature abhors a vacuum Medieval art according to modern scholars abhors the same The notion of horror vacui the fear of empty space is thus often construed as a definitive feature of Gothic material culture In *The Absent Image* Elina Gertsman argues that Gothic art in its attempts to grapple with the unrepresentability of the invisible actively engages emptiness voids gaps holes and erasures Exploring complex conversations among medieval philosophy physics mathematics piety and image making Gertsman considers the concept of nothingness in concert with the imaginary revealing profoundly inventive approaches to emptiness in late medieval visual culture from ingenious images of the world s creation ex nihilo to figurations of absence as a replacement for the invisible forces of conception and death Innovative and challenging this book will find its primary audience with students and scholars of art religion physics philosophy and mathematics It will be particularly welcomed by those interested in phenomenological and cross disciplinary approaches to the visual culture of the later Middle Ages

Performances of Authorial Presence and Absence Silvija Jestrovic, 2020-06-22 This book takes Roland Barthes s famous proclamation of *The Death of the Author* as a starting point to investigate concepts of authorial presence and absence on various levels of text and performance By offering a new understanding of the author as neither a source of unquestioned authority nor an obsolete construct but rather as a performative figure the book illuminates wide ranging aesthetic and political aspects of authorial death by asking how is the author constructed through cultural and political imaginaries and erasures intertextual and intertheatrical references re performances and self referentiality And what are the politics and ethics of these constructions

Holocaust Representations in History Daniel H. Magilow, Lisa Silverman, 2019-11-28 How the Holocaust is depicted and memorialized is key to our understanding of the atrocity and its impact Through 18 case studies dating from the immediate aftermath of the genocide to the present day *Holocaust Representations in History* explores this in detail Daniel H Magilow and Lisa Silverman examine film drama literature photography visual art television graphic novels memorials and video games as they discuss the major themes and issues that underpin the chronicling of the Holocaust Each chapter is focused on a critical debate or question in Holocaust history the case studies range from well known commercially successful works about the Holocaust to controversial examples which have drawn accusations of profaning the memory of the genocide This 2nd edition adds to the mosaic of representation with new chapters analysing poetry in the wake of the Holocaust and video games from the here and now This unique volume provides an unmatched survey of key and controversial Holocaust representations and is of vital importance to anyone wanting to understand the subject and its complexities

The Absent God in the Works of William Wordsworth Eliza Borkowska, 2020-11-29 Called by one of its reviewers Wordsworth s biographia literaria this book takes its reader on a

fascinating journey into the mind of the poet whose attitude to God and religion points to a major shift in Western culture The monograph probes the philosophical foundations of Wordsworth's religious outlook drawing attention to this First Generation Romantic poet as the author who happened to record in his verse the rise to prominence of some of the intellectual and spiritual challenges and the most troublesome uncertainties that have defined Western man ever since The book constitutes a self contained whole and can be read independently Simultaneously it creates an unusual duet with the companion volume The Presence of God in the Works of William Wordsworth These two works can be regarded as contraries or negatives one offering an ironically positive reading of Wordsworth's religious discourse the other offering a reading which is positively negative

The Presence of God in the Works of William Wordsworth Eliza Borkowska, 2020-11-29 Approaching Wordsworth writings from perspectives which have not been considered in critical literature this book offers a multiangled reflection on the technicalities of the poet's religious discourse including the methodology of The Prelude revision or Wordsworth's patent art of pious postscripts The book constitutes a self contained whole and can be read independently Simultaneously it creates an unusual duet with The Absent God in The Works of William Wordsworth whose six chapters follow this book's eight chapters like a sestet which complements the octave becoming thus a tribute to Wordsworth as one of the most prolific sonneteers in history Both monographs build their theses on Wordsworth's entire oeuvre and embrace the whole of his wide lifespan Their completion in 2020 coincides with several round anniversaries the 250th anniversary of Wordsworth's birth the 200th anniversary of The River Duddon and the 170th anniversary of the publication of his autobiographical masterpiece The Prelude

An Absent Presence Caroline Chung Simpson, 2001 Discusses the social and political disenfranchisement of Japanese Americans after WWII

Essays on Literature and Philosophy: Dante in his relation to the theology and ethics of the Middle Ages. Goethe and philosophy. Rousseau. Wordsworth. The problem of philosophy at the present time. The genius of Carlyle Edward Caird, 1892

Essays on Literature and Philosophy Edward Caird, 1892

Essays on Literature Edward Caird, 1909

An essay concerning human understanding. With the notes and illustrations of the author, and an analysis of his doctrine of ideas, also, Questions on Locke's Essay, by A.M. John Locke, 1894

The Jew as an Absent-presence in Late Medieval England Gloria Cigman, 1991 Reflects why after the expulsion of the Jews from England in 1290 they remained a persistent phenomenon in English culture e.g. as a recurring image in passion plays and in literature for instance in Chaucer Medieval culture identified the Jew with the Devil and with Judas Jesus enemies were always depicted in plays and in iconography as Jews Contends that the absence of a real Jewish presence allowed the development of a negative model essential to the religious instruction of Christians Jew hatred was used to reinforce the Christian faith an urgent need in the 14th century when the Church faced heresies and growing inertia of the clergy and laity

An Essay Concerning Human Understanding John Locke, 1894

In Spirit and in Truth. An Essay on the Ritual of the New Testament. By Thomas Edward Bridgett Thomas Edward

BRIDGETT,1873 **Physiological Optics, Being an Essay Contributed to the American Encyclopedia of Ophthalmology** Charles Sheard,1918 *An essay concerning human understanding. With the notes and illustr. of the author, and an analysis of his doctrine of ideas. Also, questions on Locke's Essay, by A.M.* John Locke,1877 *A Gift from the Enemy* Eric Lamet,2007 Autumn brought the chestnut season The luscious green dense forests Ospedaletto s natural blanket produced a large chesnut harvest But in spite of the crop s abundance I could risk my life if I as much as entered the woods during that season Various families from the village had laid claim to sections of the woods and protected their territories with shotguns But nature in its generosity allowed a few chestnuts to fall outside the woods from the heavily laden trees that bordered the roads Children and adults hastened to compete for the rich fruit for it provided a delicious meal or a dessert Although only eleven I was aware how much my mother struggled to provide food with the little money she was getting and anytime I could I was proud to make a minor contribution The Presence of Absence David John McDonald,1978 Murder Without Hatred Anton Weiss-Wendt,2009-07-13 In this detailed study of Estonians role in the Holocaust Anton Weiss Wendt casts light on a largely unexplored subject A country known for its benevolent treatment of ethnic minorities Estonia had a small number of indigenous Jews and anti Semitism existed on a relatively limited scale However many ethnic Estonians acting as auxiliary security forces under the guidance of the German security police participated in the murder of several thousands of Estonian Czech and German Jews Weiss Wendt investigates these acts of genocide by posing the simple question what prompted the Estonians to cooperate with the Nazis He argues that the actions were voluntary but that the reasons varied Narrating the history of Estonia s involvement Weiss Wendt presents lucid explanations regarding the relationships between nation building mass violence and the brutal effects of authoritarian oppression on occupied states The first book length exploration of this aspect of the Holocaust Murder Without Hatred Estonians and the Holocaust enriches our knowledge of ethnic violence and reinvigorates current debates over the roots and operation of the Holocaust *Engineering & Contracting* ,1917 *Engineering and Contracting* ,1917
