Absolutes In The Promise Of Life:

Absolutes in the Promise of Life Stephen Miller,2004-07 This book is the story of one person s search for reality and the meaning of life This book reveals some of the basic aspects of the message of the Bible that are absolutes and the potential for life available to all of mankind You have a fantastic potential locked within your inner man Do you know how to release it The release of this potential begins with your awareness of the nature and potential of your inner man This book reveals some of the basic principles of being and manifestation and the potential of your life It will help you recognize that potential and lead you into a greater awareness of your inner man Your heart controls your destiny In order to manifest your potential it is necessary for you to discern your inner man Your true personal identity your true self and potential is established within your spirit man The orientation of your heart and its attitudes determine whether and the degree to which you will release this potential Your perception of reality is a primary factor in the process of releasing your potential Your perspective of reality determines the release of your potential This perspective is established through your frame of reference according to your belief system and base of understanding From the perspective of your self image your belief system in conjunction with your base of understanding operates your consciousness to perceive reality The condition of your heart determines your destiny The potential of your life is established in your spirit man The root of being that manifests the spiritual potential of your life is established in your heart through awareness of it Do you know your heart Do you know how it functions As a man thinks in his heart so is he Your potential manifests through the self image in your heart as you understand whom you are and how to reach your potential Do you know how to tap into the potential of your life This book will help you discern and manifest the potential of your life As you read this book you will understand more about your unique personal identity the orientation of your heart and the flow of awareness within your inner man Your frame of reference and base of understanding determines how you will discern your potential and release it into your life You will become aware of the person of your inner man and understand how to discern your potential and perceive reality through the window of your life This book is available in two volumes Volume One is entitled A JOURNEY INTO LIFE This book is Volume Two All the Promises of the Bible Herbert Lockyer,1990-03-27 Offers commentary upon those biblical passages which express God s promises to man *The Covenant Sealed* E. discovers a contest of rival factions within the Puritan orthodoxy Arguing that two distinctive strains of Puritan piety emerged in England prior to the migration to America Knight describes a split between rationalism and mysticism between theologies based on God's command and on God's love A strong countervoice expressed by such American divines as John Cotton John Davenport and John Norton and the Englishmen Richard Sibbes and John Preston articulated a theology rooted in Divine Benevolence rather than Almighty Power substituting free testament for conditional covenant to describe God's relationship to human beings Knight argues that the terms and content of orthodoxy itself were hotly contested in New England and that the dominance of rationalist preachers like Thomas Hooker and Peter Bulkeley has been overestimated by scholars Establishing the English origins of the differences Knight rereads the controversies of New England's first decades as proof of a continuing conflict between the two religious ideologies The Antinomian Controversy provides the focus for a new understanding of the volatile processes whereby orthodoxies are produced and contested This book gives voice to this alternative piety within what is usually read as the univocal orthodoxy of New England and shows the political social and literary implications of those differences
