## **Academic Reading Challenge:**

*ESL Readers and Writers in Higher Education* Norman W. Evans, Neil J Anderson, William G. Eggington, 2015-06-12 *ESL Readers and Writers in Higher Education* describes the challenges ESL students in U S postsecondary institutions face when studying in a second language and offers suggestions for how teachers advisors tutors and institutions might provide support that meets the reading and writing needs of this very important student population Because the ESL profession as a whole including what professionals are doing in the classroom sits under the umbrella of an institutional response to a language related challenge some solutions aimed at helping students achieve optimal proficiency lie outside of the classroom As such this book is based on the assertion that language development support is not the sole responsibility of language teachers Everyone on campuses that hosts ESL students bears some responsibility for these students language development Chapters are therefore intentionally adapted to appeal to a wide variety of readers from classroom teachers and teachers in training to admissions officers academic advisors and international student advisors

**Reversing the Cult of Speed in Higher Education** Jonathan Chambers, Stephannie S. Gearhart, 2018-10-26 A collection of essays written by arts and humanities scholars across disciplines this book argues that higher education has been compromised by its uncritical acceptance of our culture s standards of productivity busyness and speed Inspired by the Slow Movement contributors explain how and why university culture has come to value productivity over contemplation and rapidity over slowness Chapter authors argue that the arts and humanities offer a cogent critique of fast culture in higher education and reframe the discussion of the value of their fields by emphasizing the dialectic between speed and slowness [Journal of International Students, 2019 Vol 9\(4\)](#)

*Challenges 1* Cynthia A. Boardman, Laurie Barton, 2012 *The Challenges* textbook series helps students become better readers through explicit teaching of reading skills and strategies that will break counter productive habits such as word for word translation Vocabulary is a major focus of the series as well

because good readers know a lot of words Challenges 1 the low intermediate level has eight units with two chapters in each Each unit begins with an introduction to the topic generally a one page activity to activate students interest and background knowledge Each chapter consists of sections designed to support students understanding of a reading passage For example the Reading Skills section teaches one of three types basic reading skills dictionary skills or sentence level grammar skills Vocabulary is also previewed but students also practice word forms of the target vocabulary and learn common collocations and phrases The book also includes timed paced readings which are important to developing reading fluency Additional material to support the book is available online
