Abundant Wealth:

COMPLETE WORKS OF TU BINH - TỬ BÌNH TOÀN VĂN Minh Hung, 2026-01-05 Complete Works of Zi Ping

Astrology is one of the classic works on Zi Ping astrology a culmination of the thoughts of many generations of Chinese scholars from Li Xu Zhong and Xu Zi Ping to Xu Da Sheng Its writing is both concise and profound interwoven with poetry songs oral formulas and interpretations and utilizing the classical conceptual system of Confucianism I Ching and numerology Therefore despite its widespread reputation accessing the original text remains a challenge for Vietnamese readers Classical texts especially those dealing with numerology often present two layers of difficulty the difficulty of concise and elegant language and the difficulty of terminology metaphors and allusions related to calendar systems astronomy geography and human affairs Simply translating without explanation can easily lead to misunderstandings or misinterpretations of the subtle meanings intended by our ancestors Therefore the need for a clear accurate Vietnamese translation that preserves the classical style while remaining convenient for research and application is highly commendable In this context Dr Nguyen Dong Hung under the pen name Minh Hung devoted considerable time and effort to translating and editing Complete Works of Zi Ping into Vietnamese Coming from a medical background familiar with scientific thinking systematic approach and meticulous attention to detail the translator approached this work not only with a love for Eastern numerology but also with the serious attitude of a professional careful consideration of each word comparing it to its context and the overall system of Zi Ping theory The Vietnamese translation is built with the utmost respect for the original text preserving the chapter structure and the order of interpretation while striving to unify the system of specialized terminology such as Day Master Month Master Wealth Official Position Seal Food Commerce Useful God Auspicious Inauspicious Six Relatives Longevity Bathing Official Robe Official Position Imperial Prosperity Decline Illness Death Tomb Extinction Conception Nurturing These concepts have been carefully selected by the translator to be both accurate to the Chinese meaning and familiar to the terminology commonly used in Vietnamese astrology Another noteworthy feature of the translation is its extensive system of annotations Besides the literal translation the translator has added sections such as Explanations Notes and Comments usually placed in square brackets to Explaining archaic sentences allusions and difficult vocabulary Clarifying reasoning methods initial setup techniques initial fortune telling the Tai T c Great and Extreme principle the perspective on the Six Relatives the interaction and conflict of the five elements etc Compare and correct any suspected errors typos or ambiguities in the original text As a result readers not only know how to read but also know how to apply the principles in the book instead of just enjoying the mystical literature of the ancients The task of translating and editing an ancient work especially a book on numerology with multiple layers of meaning like Complete Collection of Zi Ping inevitably contains subjective elements areas that may not be entirely satisfactory or areas that could be further debated The translator is always aware that all efforts today are only a small step in the continuous academic legacy from predecessors to

future generations Therefore Dr Nguyen Dong Hung Minh Hung sincerely hopes to receive suggestions and guidance from scholars researchers and practitioners of Zi Ping so that subsequent editions can be more complete With all our efforts and dedication we are pleased to introduce to our readers the Vietnamese translation and editing of Complete Collection of Zi Ping Astrology by Dr Nguyen Dong Hung pen name Minh Hung as a bridge to help Vietnamese enthusiasts of astrology access the treasure trove of Eastern wisdom more directly and also as a small contribution to the Vietnamization and systematization of classical numerology We are pleased to introduce this to our readers

The Interpretation of The Meaning of The Holy Ouran Volume 6 - Surah Al-Baqarah verse 237 to 261 Nasoha Bin Saabin, I have written many books and articles on various topics but since 2013 I have devoted myself fully in writing the interpretation of the Holy Quran in

English and with the grace of Allah I have completed the whole Quran on 29th October 2020 with 84 books I believe there is a great need in the whole world for the correct interpretation of the Holy Quran to be written in English Currently there is a great misunderstanding about Islam among Muslims and non Muslims globally The misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non Muslims The wrong actions of the Muslims have led to many miseries and wars among Muslims The wrong actions of Muslims have also led to many wars and clashes between Muslims and non Muslims In order to avoid miseries wars and clashes from taking place between the whole mankind in the whole world the whole mankind in the whole world need to understand the true teaching of Islam There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran The whole mankind is only able to read and understand the correct interpretation of the Holy Quran when it is written in the universal language of the world English For this very reason I have written the interpretation of the Holy Quran in English Prof Nasoha Bin Saabin **The Hymns of the Rigveda** ,1897
