neighboring markets      **Managing Grey Literature** Michelle Leonard, Susan E. Thomas, 2022-01-03 An important resource for scholarly research grey literature is relevant to every discipline It is also often more current than commercial publications Unfortunately though it provides a richness of content this type of scholarly resource is often overlooked when conducting research This book aims to change that describing the importance of grey literature and offering a holistic approach to successfully integrating it into library collections Readers will learn an overview of grey literature that discusses its importance to researchers scholars and students collections policies for selection and deselection complete with a suggested workflow information about vendors OA and other aspects of acquisitions guidance on cataloging such as collection categories in the public facing catalog and preservation and methods for promoting grey literature in library collections including institutional repositories and tips for marketing branding outreach and best communication practices for colleagues administrators and patrons

**Recast of the first rail freight package** Great Britain: Parliament: House of Lords: European Union Committee, 2009-06-02 In 2001 the Council of Ministers and the European Parliament adopted the so called First Railway Package Comprising three Directives this was intended to open up the rail freight market to competition and help to improve rail's share of the overall freight market In 2006 however the Commission published a report concluding that the implementation of the Package was inadequate and has committed itself to recasting the Package In this report Recast of the First Rail Freight Package HL Paper 90 I the Committee looks at which elements of the Package need amending and which need clarification

Complete Collection of the Treaties and Conventions, and Reciprocal Regulations, at Present Subsisting Between Great Britain & Foreign Powers, and of the Laws, Decrees and Orders in Council, Concerning the Same, 1885 A collection of treaties and conventions between Great Britain and foreign powers and of the laws decrees orders in council concerning the same so far as they relate to commerce and navigation slavery extradition nationality copyright postal matters and to the privileges and interests of the subjects of the high contracting parties

Mission Textbook Eckhardt Fuchs, Kathrin Henne, Steffen Sammler, 2025-12-08 The Georg Eckert Institute was established by the federal state of Lower Saxony in 1975 with a mandate to carry out international research into textbooks and to develop recommendations for education policy makers and publishing houses The history of the Institute however can be traced back to 1951 when Georg Eckert founded the International Institute for Textbook Improvement at the Kant Teacher Training College in Braunschweig with the aim of strengthening international understanding The textbook library was at the core of this work from the outset The research library at the GEI today contains the world's largest international collection of textbooks and teaching materials for humanities and social studies subjects The book now in its second revised edition illustrates the contributions made by the GEI to textbook revision and how it has contributed fundamentally to the development of textbook and educational media research This is an academic field that not only focusses on textbooks but also on digital educational media and the methods used to research them

Hertslet's Commercial Treaties, 1923      **Transformative Digital**

**Humanities** Mary McAleer Balkun, Marta Mestrovic Deyrup, 2020-04-23 Transformative Digital Humanities takes a two pronged approach to the digital humanities it examines the distinct kinds of work currently being undertaken in the field while also addressing current issues in the digital humanities including sustainability accessibility interdisciplinarity and funding With contributions from humanities and LIS scholars based in China Canada England Germany Spain and the United States this collection of case studies provides a framework for readers to develop new projects as well as to see how existing projects might continue to develop over time This volume also participates in the current digital humanities conversation by bringing forward emerging voices that offer new options for cooperation by demonstrating how the digital humanities can become a tool for activism and by illustrating the potential of the digital humanities to reexamine and reconstitute existing canons Transformative Digital Humanities considers what sorts of challenges still exist in the field and suggests how they might be addressed As such the book will be essential reading for academics and students engaged in the study of information science and digital humanities It should also be of great interest to practitioners around the globe
