Hurt provides illuminating detail on the most effective approaches to improving each aspect of your golf game: putting, the full swing, the short game, and the all important mental game. Hurt also includes a biographical listing of the best golf instructors nationwide and where their expertise lies so you can determine who may be best suited to your needs. And if you've never sought an instructor before or you've had problems communicating with yours, there are two handy worksheets: eighteen questions you should ask your teaching pro and eighteen questions your pro should ask you.
