Command Arrangements for Peace Operations David S. Alberts, Richard E. Hayes, 1995 **Command and Control in Peace Operations**, 1995 **United Nations Peace Operations** United States. Congress. Senate. Committee on Armed Services. Subcommittee on Coalition Defense and Reinforcing Forces, 1994 Distributed to some depository libraries in microfiche *Handbook on United Nations Peace Operations* Pamela L. Reed, 1995 **Coalition Command and Control** David S. Alberts, 1994 Peace operations differ in significant ways from traditional combat missions As a result of these unique characteristics command arrangements become far more complex The stress on command and control arrangements and systems is further exacerbated by the mission s increased political sensitivity Current JTF headquarters need to be augmented in a number of different ways to make them more effective in a coalition peace operations environment

Strategic Forum, 1994 **National Security Revitalization Act** United States. Congress. House. Committee on International Relations, 1995 **Airpower Journal**, 1997 **Coalition Command and Control: Peace Operations**, 1994 Peace operations differ in significant ways from traditional combat missions As a result of these unique characteristics command arrangements become far more complex The stress on command and control arrangements and systems is further exacerbated by the mission s increased political sensitivity Current JTF headquarters need to be augmented in a number of different ways to make them more effective in a coalition peace operations environment Peace Operations Michael J. Kelly, 1997 This book contains a detailed study of the applicable international law relevant to peace operations in the context of collapsed states the establishment of safe havens or in an enforcement role in general It discusses the interaction and legal relationship of non government organisations the military UN agencies and the warring parties under international law and in practice The book also deals with issues concerning implication of contemporary peace operations for military forces in terms of force structure operating procedures and training The book focuses on the critical issues of the interim administration of law and order in complex operations and the reconstruction of a local capability in this regard Many contemporary operational challenges are analysed Bosnia the Middle East and in particular a detailed study of Somalia based on the author s inside knowledge experience and access to information acquired on the ground in Somalia **Modelling and Analysis of Command and Control** Symposium on Modelling and Analysis of Command and Control, North Atlantic Treaty Organization. Research and Technology Organization. Studies, Analysis, and Simulation Panel, 1999 **United Nations Peace Operations** Walter Gary Sharp, 1995 *Government Reports Announcements & Index*, 1996-11 **Peace Operations and Intrastate Conflict** Thomas R. Mockaitis, 1999-07-30 Based upon consideration of United Nation missions to the Congo 1960-64 Somalia 1992-95 and the former Yugoslavia 1992-95 and examination of counterinsurgency campaigns Mockaitis develops a new model for intervening in intrastate conflicts and commends the British approach to civil strife as the basis for a new approach to peace operations Both contemporary and historic examples demonstrate that military

intervention to end civil conflict differs radically from traditional peacekeeping Ending a civil war requires the selective and limited use of force to stop the fighting safeguard humanitarian aid work and restore law and order Since intrastate conflict resembles insurgency far more than it does any other type of war counterinsurgency principles should form the basis of a new intervention model A comprehensive approach to resolve intrastate conflict requires that peace forces NGOs and local authorities cooperate in rebuilding a war torn country Only the British have enjoyed much success in counterinsurgency campaigns Starting from the three broad principles of minimum force civil military cooperation and flexibility the British approach in responding to insurgency has combined the limited use of force with political and civil development Carefully considered and correctly applied these principles could produce a more effective model for peace operations to end intrastate conflict *The Parliamentary Debates (official Report)*. Great Britain. Parliament. House of Commons,1918

Saving Democracies Anthony J. Joes,1999-09-30 U S military forces are increasingly involved in peacekeeping missions around the world and this new role raises the prospect of confrontation with guerrilla movements combat for which troops are largely untrained This book contains analyses of past and present conflicts involving the American military not only the Vietnam experience but also more recent involvement in El Salvador and Somalia each of which has provoked great controversy on the domestic front The contributors also consider the experiences of other countries in meeting such threats Russia s dangerously unstable democracy Peru s successful efforts to defeat a notorious insurgency and Japan s continuing reluctance to send even token military forces outside its own borders These issues will continue to engage and challenge American society long into the next millennium **Texts of Statements, Declarations and Final Communiqués Issued**

at Meetings Held at Ministerial Level During ... North Atlantic Council,1993 **Confrontation Analysis** Nigel Howard,1999 This book is based on research commissioned by the UK Defence Evaluation and Research Agency DERA in 1997 into how confrontation analysis might be applied to peace support operations Using game theory via a development called drama theory it is shown how to win an operation other than war The objective in each confrontation is to bring about certain compliant behaviour on the part of other parties until in the end the campaign objective is reached **Texts of Statements, Declarations, and Communiqués** North Atlantic Council,1991 The United Nations and Peacekeeping Indarjit Rikhye,Kjell Skjelsbaek,1990-06-29 Papers presented at a workshop held in Oslo Norway December 12 14 1988 co sponsored by the Norwegian Institute of International Affairs and the International Peace Academy
