## **Commentary On First Corinthians:**

**First Corinthians** Graydon F. Snyder, 1992      **First Corinthians Bible Commentary - a Bible commentary on First Corinthians** , This verse by verse commentary on First Corinthians offers a thorough but very understandable commentary on the entirety of Paul's letter to the Corinthians. Since the First Corinthians letter touches on a number of different subjects, this volume also offers some special studies to more fully explore what the Bible says on additional topics like civil government, the role of women in the church, spiritual gifts, etc. If you want to have a better understanding of First Corinthians, this commentary will help you. Here is a small sample of the text: Introduction to First Corinthians 13. Some consider 1 Cor 13 the love chapter of the Bible or a parenthetical description of love, but this chapter is actually an integral part of Paul's discussion about spiritual gifts. Since the Corinthians were rude, jealous, and boastful, it was necessary for them to go beyond their present pursuit. To the apostle, the development of the character of the person was superior to the exercise of the gift. His contrasts in chap 13 are clear: gifts without love vs gifts with love, and the permanence of love vs the temporal nature of gifts. Gromacki p 159. Stated another way, verses 1-3 affirm that spiritual gifts were worthless without love, verses 4-7 affirm that love was superior to the gifts, and verses 8-13 assert that spiritual gifts were temporal but love abides. Although 1 Cor 13 may seem familiar to many, this chapter is often one of the most misunderstood parts of the New Testament. The Corinthians' elevation of spiritual gifts over love is seen in places such as 12:13, 25:14, 27:33, 40. It is also found by contrasting the qualities in 1 Cor 13 with other sections of this epistle. For instance, love suffers long (13:4) but tongue speakers at Corinth were impatient (14:27, 28). Love does not envy (13:4) but the Corinthians envied the gifts of others (chapter 12). Love is not puffed up (13:4) but tongue speakers were proud (compare 13:1). Love causes people to act in a kind and orderly way, but some of the Corinthians' behavior was disorderly (14:23, 40). Love is not unseemly, but the Corinthians were at risk of unseemly behavior in their families (1 Cor 7:36) as well as their Sunday assemblies (1 Cor 11:2, 16, 17, 34). Agape love does not seek its own (13:5) but these Christians were seeking their own (see 1 Cor 8) and the discussion about idol meat. Love keeps people from rejoicing in evil (13:6) but the Corinthians rejoiced in evil (1 Cor 5:2, 6). There were various things that provoked these brethren (13:5) and it seems they were keeping a record of evil (1 Cor 13:5). It was time for the members of this congregation to show some spiritual maturity and demonstrate the type of love that bears all things, believes all things, hopes in all things, and endures all things (1 Cor 13:7).

**First Corinthians** Richard B. Hays, 2011-01-01. Paul's first letter to the Corinthians was addressed originally to a fledgling mission church in Corinth. Paul's absence from the church had allowed serious problems to arise within the Corinthian community, but the problems that he addresses in this letter do not always seem based in explicitly theological ideas. The brilliance of Paul, though, is that he frames the issues in theological terms and reflects on them in the light of the gospel. Hays identifies and discusses the major theological themes of the letter as well as issues such as community formation and the rethinking of inherited sociocultural norms and practices, and he offers Paul as a model for ministry.      **1**

**Corinthians** Thomas R. Schreiner, 2018-10-02 The cosmopolitan city of Corinth was the site of one of the apostle Paul's greatest evangelistic successes. However, the church he founded was full of contention. In response, Paul offered some of his most profound thinking on the body of Christ, love, and Jesus' cross and resurrection. In this Tyndale commentary, Thomas Schreiner explains the text of the letter, highlights its major theological themes, and points to its relevance for today.

In this verse-by-verse commentary, Robert Gundry offers a fresh literal translation and a reliable exposition of Scripture for today's readers. They will welcome Gundry's nontechnical explanations and clarifications. And Bible students at all levels will appreciate his sparkling interpretations. Soards, 1999 With keen sensitivity, Marion L. Soards helps readers span the gap between one of the earliest Christian communities with its concerns over wisdom in groups and outgroups, manifestations of the Holy Spirit, Christian behavior, and the resurrection of Christ and the Christian of today. He presents Paul's apocalyptic eschatological outlook as perhaps a key to unlocking some of the more knotty passages in 1 Corinthians and helps readers realize the nature of that radical theological world view from publisher's description. **1 Corinthians- Everyday Bible Commentary** Robert B. ### Commentary on 1 Corinthians

Charles Spurgeon,2014-06-12 Baptist pastor Charles Haddon Spurgeon is remembered today as the Prince of Preachers But in addition to his sermons he regularly reading a Bible passage before his message and gave a verse by verse exposition rich in gospel insight and wisdom for the Christian life Sample 1 Corinthians 15 19 24 19 If in this life only we have hope in Christ we are of all men most miserable That is to say if our hope for the future be all a lie we have been dreadfully deceived and moreover if we could lose a hope so brilliant as that has been to us there would fall upon us a sense of loss so great that no one in the world could be so wretched as we should be Besides the apostles being always in jeopardy of their lives if they were suffering poverty and persecution and the fear of death by martyrdom all for a lie they were indeed of all men the most

deluded and the most miserable But the Corinthians would not admit that neither will we 20 But now is Christ risen from the dead and become the first fruits of them that slept Paul has been arguing on every supposition and now he comes back with his own positive witness a Christ is risen You remember that Jesus died at the time of the Passover as the one great Paschal Lamb but he rose again on the first day of the week and that was the feast of first fruits with the Jews They brought handfuls of wheat from the fields to show their gratitude to God and in order that a blessing might rest on all the crop and Paul uses Christ s rising on that particular day as a figure Now is Christ risen from the dead and become the first fruits of them that slept He lives He is the first fruits and the full harvest will follow All who are in him will rise from the dead for he is one with them and none can separate them from him nor sever him from them They died in him and they live because he liveth blessed be his name 21 22 For since by man came death by man came also the resurrection of the dead For as in Adam all die Given in Christ shall all be made alive Not that all shall be saved but all will be raised from the dead Or else the passage means that as all who were in the first Adam died as the result of Adam s sin so all who are in the second Adam that is Christ Shall live as the result of his righteousness The question is Are we in the second Adam Faith is that which unites us to Christ If we are trusting in him by a living faith then his rising from the dead ensures our rising from the dead and if not it be true that we shall rise but it will be to shame and everlasting contempt 23 24 But every man in his own order Christ the firstfruits afterward they that are Christ s at his coming Then cometh the end when he shall have delivered up the kingdom to God even the Father when he shall have put down all rule and all authority and power Whatever it may mean it seems to teach us the mediatorial crown and government are temporary and intended only to last until all rule and all authority and power are put down by Jesus and the rule of God shall be universally acknowledged Jesus cannot renounce his Godhead but his mediatorial sovereignty will be yielded up to him from whom it came and that last solemn act in which he shall hand back to his Father the all subduing scepter will be a praising of God to a most wonderful extent beyond human conception We wait and watch for it and we shall behold it in the time appointed

in the commentary where they are discussed explanations of special Greek or foreign terms references to important primary and secondary literature and a Scripture index Perhaps more than any other Pauline letter 1 Corinthians is known for affording insight into the nature and world of the earliest Christian communities Whether it concerns Corinthian disputes over wisdom debates over speaking in tongues or questions about resurrection 1 Corinthians shows us the early church warts and all And that is what makes it such exciting and relevant reading today Eminent New Testament scholar C K Barrett makes the text come alive both in its original setting and in the life of the church today Barrett s arguments will challenge even the most seasoned scholars to rethink their interpretation of the many controversial passages *First Epistle to the Corinthians - Complete Bible Commentary Verse by Verse* Matthew Henry,2016-03-28 This is another volume in the series of Bible Commentaries of Matthew Henry In this Volume the entire text of the First Corinthians is commented with notes of each chapter This Commentary will help you better understand the God s word Churches theological seminaries and Bible schools will find an excellent aid in this biblical commentary on the First Corinthians *Paul for Today's Church* Stanley B.
