

Common Ground

Common Ground (London)

Common Ground:

Common Ground Molly Bang, 1997 Imagines a village in which there are too many people consuming shared resources and discusses the challenge of handling our world's environment safely **Publication**, 1994 **The Cambridge Handbook of Intercultural Pragmatics** Istvan Kecskes, 2022-10-20 Intercultural pragmatics addresses one of the major issues of human communication in the globalized world how do people interact with each other in a language other than their native tongue and with native speakers of the language of interaction Bringing together a globally representative team of scholars this Handbook provides an authoritative overview to this fascinating field of study as well as a theoretical framework Chapters are grouped into 5 thematic areas theoretical foundation key issues in Intercultural Pragmatics research the interface between Intercultural Pragmatics and related disciplines Intercultural Pragmatics in different types of communication and language learning It addresses key concepts and research issues in Intercultural Pragmatics and will trigger fresh lines of enquiry and generate new research questions Comprehensive in its scope it is essential reading not only for scholars of pragmatics but also of discourse analysis cognitive linguistics communication sociolinguistics linguistic anthropology and second language teaching and learning [The American Culture Wars](#) James L. Nolan (Jr.), 1996 Even though the majority of Americans hold moderate views on issues such as abortion homosexual rights funding for the arts and public broadcasting and multicultural education extremists tend to dominate public debate James Davidson Hunter explained this polarization of American politics and political discourse and popularized the term culture wars in his best selling book *Culture Wars The Struggle to Define America* The eleven contributors to *The American Culture Wars* analyse these and other heatedly contested issues In addition they examine new developments in the culture wars Together the chapters of this book illuminate current cultural conflicts and offer clues as to where the next American culture wars may be waged *A Pragmatic Agenda for Healthcare* Sarah Bigi, Maria Grazia Rossi, 2023-11-15 This volume addresses the issue of pragmatic meaning and interpretation in communication contexts regarding health and does so by combining a series of diverse and complementary approaches which together highlight the relevance of successfully shared understanding to achieve more accessible inclusive and sustainable healthcare systems The volume is divided into five thematic sections 1 Analytical approaches to health communication 2 Intercultural and mediated communication 3 Negotiation and meaning construction 4 Expertise and common ground 5 Uncertainty and evasive answers bringing together a group of top scholars on the much debated issue of shared understanding both at the micro level of dialogues between professionals and patients and the macro level of institutional communication In the variety of its contributions it represents an ambitious attempt at setting pragmatics at the core of healthcare communication research and practice by combining conceptual reflections on core topics in the field of pragmatics among which are speech acts common ground ambiguity implicitness with discourse and linguistic analysis of real world examples exploring various problems in health communication [Enabling Health and](#)

Healthcare through ICT Omid Shabestari, Alex Mu-Hsing Kuo, 2013-02-15 For many people in both developing and developed countries universal healthcare is still not the norm Socio economic status and geographical restrictions have proved to be major barriers to accessible care The use of information and communication technologies ICT is growing rapidly internationally as the need to provide more efficient and cost effective care becomes increasingly urgent Improving the health of a nation begins with the individual and recent developments in genomics and mobile networked information technologies have regenerated interest in individualizing healthcare Harnessing the diversity and ubiquity of available ICT may be one of the keys to enabling more accessible healthcare across both geographic and socio economic divides This book presents the proceedings of the 2013 Information Technology and Communication in Health ITCH 2013 conference This conference entitled Available Tailored and Closer was held in Victoria BC Canada in February 2013 The theme of the ITCH 2013 conference was realizing the enabling potential of information and communications technology worldwide Papers in this book are arranged according to subject Sections include electronic health records telecare telemedicine and telelaboratory public health informatics clinical decision support systems human computer interaction patient safety and healthcare modeling among others This book will be of interest to all those involved in providing improved and cost effective healthcare worldwide

Complexity in Language Salikoko S. Mufwene, François Pellegrino, Christophe Coupé, 2017-03-30 This book is about dynamical social interactional aspects of the emergence of complexity in language explained by linguists cognitivists and modelers

The Construction of Discourse as Verbal Interaction María de los Ángeles Gómez González, J. Lachlan Mackenzie, 2018-09-20 This edited volume showcases new work on discourse analysis by big names in the field and promising early career researchers Arising from the latest in the series of IWODA workshops in Santiago de Compostela it provides novel insights into both the explicit and the implicit characteristics of discourse as used in verbal interaction Discourse markers as their name indicates are among the explicit signals of coherence while discourse relations may be either explicit or implicit Similarly the discourse used for purposes of evaluation stance taking and interpersonal engagement is either overt or covert as is also true of the expression of emotions and empathy This in general terms is the challenging terrain into which the contributors to this volume have ventured The book combines theoretical issues with a practical orientation comparing languages analysing different registers studying the openings of Skype conversations and much more besides it will prove highly relevant for postgraduate and advanced practitioners of discourse analysis interaction studies semantics and pragmatics

Common Ground: In a World of Extremes John C. Danforth, 2006 An adaptation of the address John Danforth delivered at General Convention 2006 in Columbus Ohio A call to common ground to abandoning political differences Danforth explains how the central ministry of the Episcopal Church should be one of reconciliation Offering basic suggestions for how we can begin to speak out and take action for reconciliation he reminds us of Jesus prayer that we may all be one Publisher s website
