The Comfort Zone

Illusion Susan Neustrom, 2015-04-23 What is this place called the comfort zone Where does the comfort zone exist Why is stepping outside of the comfort zone so frightening The Comfort Zone Illusion answers those questions by taking you on a journey of discovery to uncover the mystery of the very personal space we call our comfort zone It is an exploration through the stages of change beginning with the very first step outside of the comfort zone to exposing the five walls of fear that create barriers to change This book looks beyond the illusion of comfort to the stark reality of the discomfort of change and offers strategies to transform fear to energy break down the brick walls of fear develop movement habits and create success enablers Every breakthrough exercise provides a reflective understanding of your comfort zone and although the exercises have a specific purpose each offers a chance to reveal an a ha moment One of those moments is the turning point the awakening to move you out of being stuck in the comfort of where you are to where you are meant to be Leaving your comfort zone is frightening and fear can stifle action inhibit the ability to attempt a new approach and can create unnecessary stress making you less likely to welcome change as an opportunity for discovery growth and personal development The author Susan Neustrom shares numerous stories about confusion uncertainty anxiety and success derived from her life changing experience of facing her fear of educational failure from being a high school dropout at sixteen by returning to school at forty eight to earn a GED and then a doctorate Susan conveys her thoughts feelings and unbelievable discomfort with leaving her comfort zone as well as many a ha moments in her personal transformation of abandoning a twenty two year career to follow her vision to do work with greater purpose and meaning Not only does she offer her personal account she also shares the stories of people in a variety of situations and from experts who clearly understand change If you are stuck in your comfort zone ready for change but walls of I can t stand in your way this book shows you how leaving your comfort zone is not so hard after all The Comfort Zone Illusion truly demonstrates that possibilities are endless once you learn how to get out of the discomfort of being in your comfort zone eliminate fear and unleash purpose passion and potential

Danger in the Comfort Zone

Judith M. BARDWICK, 1995-05-03 An examination of the phenomenon of entitlement mentalities in the American workforce people s preoccupation with their rewards rather than their responsibilities Author Judith M Bardwick points out that although the fear element has undoubtedly grown in the last few years the entitlement attitude is still firmly entrenched at all levels Danger in the Comfort Zone describes three basic mindsets and shows the effect of each on individuals and their organizations Entitlement people feel entitled to rewards and lethargic about having to earn them motivation and job satisfaction are low Fear people are paralyzed the threat of layoffs

makes them focus on protecting their jobs rather than doing them well Earning people are energized by challenge they know their accomplishments will be noticed and rewarded This landmark work has been updated and expanded with five all new chapters to meet today s continuing challenges to the nation s productivity and morale Bardwick offers additional findings with new specific techniques for pulling people out of the quagmire of fear and complacency and igniting them with the energy of true earnings
