

Common Cold

Within one to three days of picking up a cold virus, you'll get symptoms like:

Sneezing.

Runny nose.

Headache.

Sore throat.

Cough.

Nasal congestion.

Fever (most common in children).

Common Cold

J Ma

Common Cold:

Common Cold Ronald Eccles, Olaf Weber, 2009-11-16 The common cold is unlike any other human disease because of two factors firstly it is arguably the most common human disease and secondly it is one of the most complex diseases because of the number of viruses that cause the familiar syndrome of sneezing sore throat runny nose and nasal congestion These two factors have made a cure for the common cold one of the most difficult scientific and clinical endeavours a topic often discussed in the popular media where comparisons are made with the ease of putting a man on the moon The present book brings together a wide range of experts from epidemiologists to virologists and pharmacologists to look at recent advances in our knowledge of the common cold In some respects the book is unique as it focuses on the common cold a syndrome so familiar to the layperson but one that receives little attention from the scientist and clinician The common cold can be viewed from many different aspects as illustrated in Figure 1 The core knowledge for understanding the common cold must first come from virology and this is discussed in several chapters of the book There have been major advances in this field because of the use of new methods of detecting viruses such as polymerase chain reaction techniques that have greatly aided our understanding of the epidemiology of viruses associated with common cold

Cold Wars David Arthur John Tyrrell, Michael Fielder, 2002 This is the story of one of the most familiar if rarely fatal diseases the common cold It examines the attempts by scientists and doctors from ancient to modern times to provide a cure with particular emphasis on the work of an eccentric institution based in Salisbury the Common Cold Unit

The Common Cold and Influenza Nancy Stedman, 1986 Describes colds and influenza the nature of the viruses that cause them how they spread methods of prevention and treatment and the research for future cures

Index-catalogue of the Library of the Surgeon General's Office, United States Army (Army Medical Library) Army Medical Library (U.S.), 1938

The Natural Way to Beat the Common Cold and Flu Richard Trubo, 1998 It is not always easy to separate facts from folklore when it comes to fighting colds and flu Is it true that ginger can help Is exercise a good idea or a bad idea Is it starve a cold and feed a fever or the other way around Health writer Richard Trubo explores the current developments in both traditional and alternative medicine to help you decide what the right treatment is for you for a healing approach that is natural safe and effective

The Common Cold Terry Allan Hicks, 2006 Discusses the common cold and its effects on people and society

The Common Cold, 1981

The Common Cold Elaine Landau, 2009 Provides basic information about the common cold and its prevention Provided by publisher

The Cause and Cure of Colds William Samuel Sadler, 1910

Ah-Choo! Jennifer Ackerman,2010-09-02 Some colds are like mice timid and annoying others like dragons accompanied by body aches and deep misery In AH CHOO Jennifer Ackerman explains what exactly a cold is how it works and whether it s really possible to fight one off Scientists call this the Golden Age of the Common Cold because Americans suffer up to a billion colds each year resulting in 40 million days of missed work and school and 100 million doctor visits They ve also learned over the past decade much more about what cold viruses are what they do to the human body and how symptoms can be addressed In this ode to the odious cold Ackerman sifts through the chatter about treatments what works what doesn t and what can t hurt She dispels myths such as susceptibility to colds reflects a weakened immune system And she tracks current research including work at the University of Virginia at Charlottesville a world renowned center of cold research studies where the search for a cure continues [The American Journal of Nursing](#) ,1925 **A Practical Manual of the**

Diseases of Children Edward Ellis,1879 *Advertising & Selling* ,1928 *Health and Disease, as Affected by Constipation, and Its Unmedicinal Cure ... Eighth Thousand* William Whitty Hall,1871 The Starry Cross ,1927
Therapeutic Gazette ,1911 **Florida Health Notes** ,1917
