Any Known Blood:

Any Known Blood Lawrence Hill, 2008-12-02 Langston Cane V is 38 divorced and working as a government speechwriter until he is fired for sabotaging the minister's speech. It seems the perfect time for Langston, the eldest son of a white mother and prominent black father, to embark on a quest to discover his family's past and his own sense of self. *Any Known Blood* follows five generations of an African Canadian American family in a compelling story that slips effortlessly from the slave trade of 19th century Virginia to the modern, predominantly white suburbs of Oakville, Ontario, once a final stop on the Underground Railroad. Elegant and sensuous, wry and witty, it is an engrossing tale about one man's attempt to find himself through unearthing and giving voice to those who came before him. But now, four years later, not only is the nightmare continuing, it may have only just begun. Jessica has discovered the terrifying truth behind the legacy that her husband left to their second daughter, Fana: a legacy preordained a thousand years before her time and drenched in the powerful lifeblood that now courses through her veins. As young Fana begins to display unearthly abilities that are quickly spiraling out of control, she becomes the target of those who will stop at nothing to exploit her power and the unwitting touchstone in an ancient supernatural battle whose outcome may decide the fate of all humanity.
