Culture Ole Jakob Løland, Anders Martinsen, 2025-07-08 This book is an accessible overview of the Bible's complex and evolving reception in popular culture. Drawing on biblical interpretations in TV, film, and music, it demonstrates the enduring diversity of the Bible's reception history. Ranging from Genesis and Exodus of the Hebrew Bible to the Gospels and Revelation of the New Testament, its biblical chronology takes a book-by-book format that locates and examines various examples of how these texts have been read, received, and interpreted. Case studies include *The Handmaid's Tale*, *Exodus: Gods and Kings*, *The Da Vinci Code*, and *Family Guy*. Woven within these chapters is a fresh analysis of how themes of parody, satire, sex, and conspiracy appear in these biblical interpretations. This book is an engaging resource for students encountering biblical reception history in popular culture for the first time and will also be of wider interest to those intrigued by the interplay between religion, culture, and media.

**The Called to Serve Collection: Deployed / Renegade** Mel Odom, 2018-10-01 This collection bundles both titles from Mel Odom's *Called to Serve* series into one e-book for a great value. 1. *Deployed*: Lance Corporal Bekah Shaw joined the United States Marine reserves to help support herself and her son when her ex-husband Billy Roy decided they were no longer his responsibility. But when her team is activated and sent to Somalia on a peacekeeping mission, Bekah struggles with being separated from her son and vows to return safely. Once a successful Somali businessman, Rageh Daud has lost everything. Determined to seek revenge on the terrorists who killed his wife and son, he teams up with a group of thieves, killers, and others displaced by war. Despite his better judgment, Daud becomes the protector of a young orphaned boy who becomes a pawn between the warring factions. To defeat the terrorists and bring peace to the region, Bekah and her team must convince Daud that they are on the same side. 2. *Renegade*: Having grown up in the foster system, Private Pike Morgan's rough exterior and problem with authority earn him few friends among his fellow Marines. When he's not on missions for the Marine Reserve, Pike's rebellious attitude and eagerness for vigilante justice have the local police regularly at his doorstep. Struggling to set down roots and nervous of his desire to answer the military's call for another deployment on a peacekeeping mission to Afghanistan, Pike and his squad soon find themselves entrenched in a heated war zone. After an American journalist is kidnapped by known terrorist Zalmay Yaqub, the whereabouts of this al-Qaeda leader become a top priority for the American military. But when Yaqub flees to Pakistan, will anyone aid Pike in his hunt, or will this strong Marine find himself without an ally?
