The Gospel Truth Clinton Bezan,2023-01-05 Where does a new believer turn to find truth The Christian narrative today has morphed into a fluid and philosophical commentary centered around social injustices and motivational messages that rarely align with the gospel that Jesus preached Sin is ignored and repentance is avoided by those who over exaggerate grace and diminish the holiness of God by suggesting he accepts us whether we are faithful to him or not In a knee jerk response to the strict religious shackles of the early church many of today s preachers bask in the hyper sensitivity that accompanies the cancel culture that proclaims it will not be judged In The Gospel Truth Bezan has endeavored to dissect prominent Christian religious denominations in order to expose their internal theologies and scrutinize the details of their doctrine under the litmus test of scripture He offers legitimate discernment to differentiate between truth and almost truth and conveys an intelligible recognition of the genuine vs the counterfeit in a detailed and comprehensive assessment that leaves the reader judiciously satisfied We have an opportunity in this life to sincerely contemplate the things of God We are provided with a window in time to question the hidden mysteries of scripture and truly discover who God is The good news is that God has provided a path to salvation through Jesus Christ and the gospel contains the truths that solve the mysteries that have eluded men for millennia **The Truth Which Sets Free** Peter Dunstan,2007-02-26 He who has ears let him hear Jesus said those words many times What did he mean He also declared The truth will set you free Which truth Free from what This book will tell you in no uncertain terms a message to be stapled on the world s bulletin board for any who pass by and in particular for those who have the right ears It is a thorough explanation of the astonishing freedom won by Christ for his elect and the devastating implications this has for all world religion and philosophy especially Christianity It will shatter the myths underpinning many long cherished beliefs and rock the Church to its foundations Along with many other surprises you will discover that the word church is not even in the Bible This investigation covers most aspects of the Church with special reference to its origin in early times fathers councils creeds buildings names and titles saints priesthood and clergy celibacy ordination confirmation sacraments tithes sabbaths festivals gospels and media assurance second coming and ecumenical beliefs All these are weighed against Scripture namely the teachings of Christ the apostles and prophets and found to be either non existent obsolete not the same thing or quite the opposite However these concepts did not materialize from nothing all came from someone somewhere The revelation of each source will be quite a shock for readers who thought they had a handle on the facts Well documented and researched but written in dynamic style this presentation is often moving and alarming This is the truth which sets free Digest of the Decisions of the Supreme Court of Idaho ,1914

Professor Smith on the Bible, and Dr. Marcus Dods on Inspiration James Smith,2025-07-26 Reprint of the original first published in 1877 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure

that these works are made available to the public in good condition in order to preserve their cultural heritage The American Digest Annotated, Key-number Series ,1912 *Antichrist: The Beast Revealed* Edward Hendrie,2015-04-16 The antichrist is among us here and now This book proves it by comparing the biblical prophecies about the antichrist with the evidence that those prophecies have been fulfilled This book documents the man of sin s esoteric confession that he is the antichrist You will learn how the antichrist has changed times and laws as prophesied by Daniel and how he is today sitting in the temple of God shewing himself that he is God in fulfillment of Paul s prophesy in 2 Thessalonians 2 4 The beast of Revelation has come into the world after the working of Satan with all power and signs and lying wonders And with all deceivableness of unrighteousness as prophesied in 2 Thessalonians 2 10 **A House Divided** Rudy Lopez,2014-09-25 This book unabashedly explains and defends the doctrinal and dogmatic tenets of the Christian Catholic faith and attempts to reveal as well the obvious corollary attached thereto namely the untenability of the various protesting and schismatic Christian bodies who find themselves outside the pale of the original and ancient Catholic Church of Christ **Digest of the Decisions of the Supreme Court of Idaho** Harold Ballard Clark,1926 **Seeking Truth** Clinton Bezan,2020-12-11 Today people are searching for truth in a world embroiled by contradiction misinformation and blatant lies that have created confusion division and mistrust in society The fear generated through terrorism and the handling of the global covid 19 pandemic have many questioning the future of mankind and turning to God for answers For those genuinely seeking redemption through Jesus Christ the tarnished reputation of the established Christian church offers little clarity in the path to salvation and serves as a living testimony to the fallen state of man Where does one begin to sort through the soupy mess that religion has become and discover the true meaning of Christianity In a revealing and illuminating examination of scripture history and the authentic Christian message Clinton Bezan dispels the fallacies and half truths propagated through Christian history by errant religious dogma and traditions There is a distinct paradox that organized religion fails to recognize in its efforts to maintain growth and influence in a civilization that is increasingly devoid of moral legitimacy and is struggling to maintain its sense of purpose amid the volatile and fluid post truth culture It is only by returning to the basic premise of faith in Christ that there is hope for peace and purpose in the Christian life *Digest of Decisions of the Supreme Court of the United States Reported in Vols. 1-36 Supreme Court Reporter, Vols. 106-241 United States Reports, Vols. 27-60 Lawyer's Edition, United States Reports, 1882-1916, with a Table of Cases Digested* ,1917 **The Literary Digest** ,1919 **Digest of the United States Supreme Court Reports** ,1928 Literary Digest ,1919 *Second Decennial Edition of the American Digest* ,1922 *The Catholic Periodical and Literature Index* ,2008 **Decennial Edition of the American Digest** ,1922 **The Catholic Periodical Index** ,1956-06
