Apostolic Purity:

Apostolic Purity Michael Scantlebury, 2003-03-01 In every dispensation in every move of God's Holy Spirit to bring restoration and reformation to His Church righteousness holiness and purity has always been of utmost importance to the Lord And it is no different in the current move of God that is bringing apostolic restoration to His Church John Wyclif Stephen E. Lahey, 2009 Overview This work draws on recent scholarship situating John Wyclif in his fourteenth century milieu to present a survey of his thought and writings as a coherent theological position arising from Oxford's Golden Age of theology It takes into account both Wyclif's earlier philosophical works and his later works including sermons and Scripture commentary Wyclif's belief that Scripture is the eternal and perfect divine word the paradigm of human discourse and the definitive embodiment of truth in creation is central to an understanding of the ties he believes relate theoretical and practical philosophy to theology This connection links Wyclif's interest in the propositional structure of reality to his realism his hermeneutic program and to his agenda for reform of the Church **The Divine Maternity of the Blessed Virgin Mary** Edward Murray (of Kilfian.), 1855 *Christian Creeds and Confessions* Gotthold Albertus Gumlich, 1893 *Let There Be Light* Michael Scantlebury, 2025-12-31 It is a rare and invigorating experience to encounter a work that challenges the very foundations of our long held beliefs not to dismantle them but to invite us into a deeper more luminous understanding of God's eternal truth *Let There Be Light* is precisely such a work This book is not a casual theological read it is a passionate scholarly and spirit led expedition into the heart of Scripture beckoning us to see the familiar with revolutionary new eyes These are four of the most powerful words ever uttered spoken by the Creator at the dawn of time as recorded in the book of Genesis They represent the definitive moment when chaos was ordered potential was unlocked and creation began For too long many have believed that this command belongs solely to a power outside of ourselves This book challenges us who are tired of navigating a dimly lit world and are ready to gaze into the divine Light dwelling within every born again Believer to receive spiritual truth and revelation This book is a clarion call to move out of the shadows of escapist theologies and into the brilliant day for which we were created It is a call to walk in the understanding authority and power of that original As you turn these pages prepare to have your assumptions tested your spirit stirred and your vision clarified You are holding an invitation to step more fully into the marvelous light of Christ and to become as you were always meant to be a radiant beacon of His glory to the world **Engaging the Doctrine of Revelation** Matthew Levering, 2014-11-11 How do human beings today receive divine revelation Where and in what ways is it mediated so that all generations can hear the fullness of the gospel In this volume distinguished theologian Matthew Levering shows that divine revelation has been truthfully mediated through the church the gospel and Scripture so that we can receive it in its fullness today Levering engages past and present approaches to revelation across a variety of traditions offering a comprehensive historical study of all the key figures and perspectives His thorough analysis results in an alternative approach to prevailing views of the doctrine and

points to its significance for the entire church The General Baptist repository, and Missionary observer [afterw.] The General Baptist magazine repository and Missionary observer [afterw.] The General Baptist magazine ,1847 **The Popular Literature of Ritualism: Being Strictures on “Manuals for the People.
