Dare to Succeed ,1994 *Dare to Succeed* ,1991 **Dare to Succeed** Outlet,Outlet Book Company Staff,Random House Value Publishing Staff,1986-04-01 *Dare to Live Trust Yourself* Diane Carter,Julie Christie Scott,Steven John Scharengiuvel,Simone Riddell,2009-11-11 Only available from www.diane.carter.speaking.publishing.com auLife is one great adventure and you have it in the power of your mind to make it the greatest adventure of all time You only have one life so it is up to you to make it the best you can My life has been stupendous and it just seems to keep getting better and better it is only now that I realize why It s because I have always had Mindset Energy the will and the determination to get up and go Our energy determines how we feel how we think and how we act These three together make up our attitude By choosing a positive attitude you create positive waves of energy which attract more of the same so your positive choice sets you on the path to a fulfilling happy and prosperous life It is totally your choice that determines your life so you need to be very aware of how you react or respond to the situations you find yourself in Dare to Live will help you to realise that you do have choices

and you can lead a successful and fulfilling life Its powerful stories will show you howto make the best choices possible to be able to reach your goals and make your dreams come true Dare to Live Trust Yourself is telling wonderfully inspiring stories of life narrated by the very people who lived through them It is easy to be swept away by admiration for their courage and determination These storiesdrill to the core of the human condition and bring into focus the boundless potential that lies within each person s mind The stories will encourageyou to start nurturing your own Mindset Energy the stuff of legends we hear and read about the inner strengths that can propel a human beingto overcome adversity and incredible odds to carry on with life and make it even better As human beings we are blessed with the ability to make choices The stories told in this book will leave you in no doubt that it is your attitude that is the key to getting the most out of life After having the privilege of meeting Diane in person and listening to her tell her stories I quickly realized that she is one of a kind sent to this world to share her stories of courage perseverance and humility with all who have ever questioned their own true potential to succeed Diane s strength in adversity is truly admirable and if her stories don t motivate you to go after whatever it is you truly want from this life then nothing will The human race can learn much from wonderful people like Diane Carter Rocky Warren Author The Fighter WithinDare to live takes you on an emotional journey to rediscovering what really matters in life The author faced death and despair head on and dared to live and as she suggests we do the same This is a book that you will not forgetSteve Siebold Author 177 mental Toughness Secrets of the World Class **If at First You Don't Succeed, Buy this Book!** David P. Schloss,2001 I wrote this book to re-establish many seemingly forgotten success principles that separate winners from non winners To have long term positive effects in your life you must change the way you think One of the most important benefits of this book is that it inspires the reader to view and react to situations differently which creates long lasting changes necessary for lifelong success To Dare Ivan Kos,Elizabeth Zack,2011-07-01 In a world where negative thinking self criticism and fear often dominate the day To Dare It is Easier to Succeed than To Fail offers an antidote that empowers people with the ability to learn from fear overcome negativity and transform lives To Dare explores the fears that we feel day in day out Some fears are real and should be respected but fears that are exaggerated and unfounded keep us from truly experiencing our lives and becoming fulfilled individuals In To Dare we discover how to use fear s energy to work for us rather than against us and become the winners personally and professionally that we were born to be Appealing to the same audience drawn to such bestsellers as What s Holding You Back Feel the Fear and Do It Anyway and The Power of Positive Thinking To Dare holds the key to the action solution for transformation As a psychotherapist lecturer consultant and professor Dr Kos specializes in workshops on fear leadership optimal productivity personal responsibility and communication Dr Kos is a fellow of the American Psychological Association and a member of the International Association of Applied Psychology among others and lives in New York City Dare to Succeed Dolores Sherrod,Richard A Sherrod, Sr,2024-08-13 This book presents the bold idea that teenagers living their passion and getting paid for it will likely never be depressed

However advancements in technology cause stress for teenagers and their parents Both groups find it challenging to achieve success in the 21st century and believe that traditional methods of success no longer apply Young adults believe the American Dream is no longer possible for them This book outlines strategies for achieving goals in a way that brings joy and peace Instead of telling young people to work hard we aim to guide them in finding employment that they are passionate about The pursuit of happiness is still essential and success requires a straightforward approach similar to the processes used in the workplace Consider this book a roadmap for teenagers young adults and parents to navigate success in a new way in a changing world This book is for teenagers young adults and parents because young people need to learn how to succeed early in life and parents need to guide and support their children toward success While schools prepare teenagers for some aspects of success they often do not provide the real world business and finance skills necessary for achieving greatness This book offers specific solutions to develop success before graduating from high school including examples forms tools resources and templates The aim is to inspire and provide unique solutions for achieving success despite the changing rules of the game Read this book to learn new ways of solving old problems I hope you will find inspiration for succeeding in a world that constantly changes the rules for success The ultimate effect of this book will be when teenagers pursue their version of the American Dream which helps alleviate the mental health crisis and find their passion and purpose in life Dare To Succeed is the book teenagers need to make that dream a reality
