Dark Dont Catch Me:

Dark Don't Catch Me Vin Packer,2011-12-31 Paradise Georgia USA where black and white have lived together and in secret loved together for three hundred years where the white man knows that the dark skinned man is his blood brother and hates him for it where the white woman looks on the dark skinned man with secret lust and longing Out of this shared and silent intimacy compounded of fear hatred sexual guilt and carnal knowledge springs this starting novel which lays bare the secrets behind the violent deeds of the South

Don't Catch Me Richard Powell,2012-09-01 Antique dealer Andy Blake and his sharpshooting wife Arab stumble across a faux antique chair and end up tangling with Nazi obsessed millionaire a gregarious gunman a rival antique dealer and bombshell blonde

The Dark Didn't Catch Me Crystal Thrasher,2004 Able to find beauty in the hills of southern Indiana Seeley withstands the work troubles and sorrows that encompass her family during the depression

What Hides in the Darkness K. L. Cottrell,2014-03-19 Marianne is different from how she used to be After she recovered from the car wreck that nearly killed her she withdrew from the life she was leading not just because her family was destroyed and her friendships broken but also because she started noticing some very disturbing things about the world around her These days along with keeping to herself she simply endures the horrific monsters she sometimes sees in the place of seemingly normal men She doesn't know what to do so she does nothing Gabe has been Light for eight years He's accustomed to the unique lifestyle centered on destroying the creatures of darkness that infiltrate the human world to wreak havoc on it As a Gatherer his job is to find new Light people and introduce them to their new way of existing but the routine and relatively quiet life he's been leading for so long is interrupted when he encounters Marianne She's distinctive and of all the bizarre things he's seen in his life her unexpected appearance is the one that shocks him the most But these two strangers are on the brink of something much bigger than simply changing each other's lives The scale balancing good against evil can only stay steady for so long before it tips toward darkness and that upset is just around the corner And Marianne Gabe and everyone they know Light or not will be swept up in the fight to right it The Light Trilogy contains adult content

The Days of Darkness Donald J. Richardson,2009-03-18 I began writing The Days of Darkness in 1972 Where the story came from I don't recall only that I envisioned a man running for his life Perhaps there is some connection to the writings of William Faulkner whose works I was studying at the time At any rate I wrote only a few thousand words before laying the manuscript aside Over the next few years I added to it but I think I didn't have a clear notion of where the story was going or what was to happen Only after three decades had elapsed did I return to the writing As I re read it I began to formulate a notion of what to do with it and to explore where it might be directed Gradually I resumed writing and added characters discovering where it was leading and following some unstated inclination or impetus Soon it began to take shape forcing me to deal with the larger issues of North versus South black versus white justice versus injustice and man versus woman I suppose The Days of Darkness is in some arcane way allegorical But it isn't possible for me

to explain that or even to explore it to me it's just a story I wrote in which I try to say something meaningful I think that is what all stories try to do

Catch Me Before I Fall Rosie Childs, 2011-08-31 Because she was black Clare Malone was the talk of her Liverpool council estate Her mother and her mother's husband were both white and from birth she was stigmatised for this proof of her mother's infidelity Clare was left in a bare filthy council house to fend for herself and her siblings until aged nine she was placed in the care of an order of strict and often cruel nuns She finally embarked on a settled life as a nanny and pre school teacher but she couldn't escape from herself and the black cloud of her childhood After suffering a breakdown Clare was placed in a series of dehumanising psychiatric hospitals for many years until she was helped to remember the horrifying secret of the childhood she thought she had buried forever Now with support she has rebuilt her life as Rosie Childs and has moved on She is truly happy at last
