Dark Fathers Into Light:

Dark Fathers Into Light Richard Pine, 1994 Brendan Kennelly is one of Ireland's most distinguished poets, lecturers and broadcasters. He is a renowned editor and anthologist and was Professor of Modern Literature at Trinity College Dublin until his retirement. This collection of essays addresses Kennelly's work comprehensively and includes a biographical portrait, an extensive bibliography and a penetrating interview. It portrays Kennelly as a man of two villages: his birthplace of Ballylongford in County Kerry and his workplace of Trinity College Dublin, while locating him in the world of poetry as a craftsman who cares passionately about the continuing importance of lyric and narrative poetry and indeed the nature of language and the status of writing. The essays are by leading literary critics and Kennelly specialists: Jonathan Allison, Terence Brown, Gerald Dawe, Gabriel Fitzmaurice, Augustine Martin, Kathleen McCracken, Ker Persson, Richard Pine and Anthony Roche. The book has a Foreword by Ireland's President Michael D Higgins.

The Cambridge Companion to Irish Poets Gerald Dawe, 2018 A fresh, accessible and authoritative study that conveys the richness and diversity of Irish poets, their lives and times.

The Cambridge Companion to the Irish Novel John Wilson Foster, 2006-12-14 This is the perfect overview of the Irish novel from the seventeenth century to the present day.

The Quality of Life Richard Pine, 2021-06-09 These essays represent a selection of 40 years' commentary on the political dimensions of cultural life. They address the entire spectrum of culture from theories of international communication to the provision of cultural and leisure facilities at local level. As a former consultant to the Council of Europe, the author has developed a penetrating insight into the decision-making process between local authorities and citizens' groups, which is discussed in two seminal papers from the 1980s which pioneered the concept of Cultural Democracy. In addition, the book's close readings of novels and plays by Irish and Greek writers explore the way that all writing and forms of self-expression have a political message and repercussions.

Irish Literature Since 1800 Norman Vance, 2014-06-11 This book surveys Irish writing in English over the last two centuries, from Maria Edgeworth to Seamus Heaney, to give the literary student and the general reader an up-to-date sense of its variety and vitality and to indicate some of the ways in which it has been described and discussed. It begins with a brief outline of Irish history, of Irish writing in Irish and Latin and of writing in English before 1800. Later chapters consider Irish romanticism, Victorian Ireland, W. B. Yeats and the Irish Literary Revival, new directions in Irish writing after Joyce and the literature of contemporary Ireland, north and south from 1960 to the present.

Unbinding Medea Heike Bartel, 2017-07-05 Medea, simply to mention her name, conjures up echoes and cross-connections from antiquity to the present: the vengeful wife, the murderess of her own children, the frail suicidal heroine, the archetypal Bad Mother, the smitten maiden, the barbarian, the sorceress, the abused victim, the case study for a pathology. For more than two thousand years she has arrested the eye in paintings, reverberated in opera, called to us from the stage. She demands the most interdisciplinary of study, from ancient art to contemporary law and medicine; she is no more to be bound by any single
