*Speculative Light* Amy J. Elias, 2024-12-13 Over the course of a thirty eight year friendship painter Beauford Delaney and writer James Baldwin shared their private lives and shaped one another's artistic values *Speculative Light* brings together scholars critics and artists who analyze the stylistic and historical import of Delaney's and Baldwin's works and examine how this friendship fundamentally shaped the pair's ideas about art and life The book's contributors explore how the two men sharing identities as queer Black American artists first in New York and then as expatriates in France created a speculative space in their work to think about more just and creative Black futures Essay topics and issues range from masculinity queerness Blackness and Americanness to the relationship between jazz painting and writing Throughout the contributors establish a positive history for Delaney's and Baldwin's arts that refuses a subordinate role to white artists of the modernist avant garde Ultimately *Speculative Light* demonstrates that Delaney and Baldwin's bond provides revolutionary grounds for
