Apocrypha Poems:

Apocrypha ,1896 **Apocrypha** Melinda Mueller,1998 **Apocrypha: Poems Selected and New Volume 3** Andreas Gripp,2015-03-24 74 poems including a large number written in the past year make up the 20th full length collection by London Ontario poet Andreas Gripp Poems dealing with the multifaceted layers of love verses encompassing nature and spirituality and our human interaction with everyday events that may not be so ordinary after all are written in the author's usual lyrical and accessible style In addition to new poems written exclusively for this volume there is a generous amount of favourites from his previous four books as well **Apocrypha** David Southward,2018-07-02 This debut collection of sonnets explores the cryptic personality of Jesus of Nazareth Reimagining pivotal moments in his life story from unlikely perspectives including those of Joseph Mary Magdalene Lazarus a Pharisee and even Satan the poems invite deeper engagement with the Gospel narrative Jesus emerges from this mosaic like treatment as a conscientious friend steely reformer and inspired poet as well as an ordinary troubled man With lyrical nuance and intensity Apocrypha brings to life the shadowy past of an iconic figure Its humane vision speaks equally to believers and atheists to theologians and lay readers to students of history and lovers of poetry **Apocrypha** Joe Costa,2010 **Moonlight Apocrypha** Kurt Newton,2025-07-21 In Moonlight Apocrypha Kurt Newton guides us through a surreal and haunting landscape shaped by plague isolation and the slow unraveling of civilization These poems chronicle a world slipping into myth where memory and madness blur This collection captures the intimate absurdities and communal grief of an era defined by a virus and humanity's response to crisis offering grim beauty bitter humor and unexpected tenderness for the summer we figuratively died Delve into these verses to commiserate with your past self and glimpse the future you **Kitchen Apocrypha** Gregory Emilio,2022 The fact that food like sex mediates for us with death provides the guiding metaphor for Gregory Emilio's ingenious book Kitchen Apocrypha which might equally well be titled Kitchen Epiphany Kitchen Apocrypha was a finalist in the 2021 Able Muse Book Award **The Chaucerian Apocrypha** Kathleen Forni,2005-07-01 The poems in this volume were prized and preserved because of their association with Chaucer's name and have been paradoxically almost entirely ignored by modern readers for the same reason Many of these pieces are worthy of study not only in the context of Chaucerian reception but also as specimens of the kinds of vernacular poetry that circulated in late medieval manuscripts and which remained in print largely by the accidental virtue of their association with Chaucer throughout the Renaissance and well into the nineteenth century The various genres represented in this sampler the dream vision good counsel female panegyric mass parody proverbial wisdom lover's dialogue prophecy advice to princes elegiac complaint courtly parody and anti feminist satire attest to the diversity of late medieval literary tastes and to the flexibility of the courtly idiom In the sixteenth century both Chaucer's poetry and the diverse works with which it circulated appear to have continued to have been valued for their perceived courtly qualities Chaucer's early scribal and print editors also appear to have prized his sphere of influence attested to by imitation continuation and
