Apparition Fever Tine Van Osselaer, 2025-06-13 In the early 1930s a wave of Marian apparitions cases in which visionaries reported seeing and receiving messages from the Virgin Mary swept over Belgium With over forty apparition sites and hundreds of visionaries the Belgian apparitions often attended by crowds of onlookers were unrivalled in scope and complexity and they confronted Catholics and others with a question How do you decide what you believe Apparition Fever explores the Belgian apparitions from initial reports to the eventual recognition of two episodes in the 1940s It shows how knowledge was formed at all levels among the bystanders attending the sites to the medical experts who studied the visionaries and the clerical authorities who evaluated the authenticity of the apparitions Tine Van Osselaer examines how these different perspectives converged and influenced each other whose authority was accepted or challenged and how the public character of the events affected their evaluation Apparition Fever reveals that the public

setting of Marian apparitions and the religious enthusiasm they triggered are not novel challenges for the Catholic Church. On the contrary they have heavily influenced the evaluation of apparitions since the early twentieth century. **Apparitions** Burchier Wrey Savile, 1880 Meetings with Mary Janice T. Connell, 2015-03-18 Through the centuries and across the world the Virgin Mary has appeared to ordinary people of every race and culture from scholars to illiterates from the devout to the unbelieving from young children to the dying. In this exquisite and inspiring volume Janice T. Connell chronicles authenticated Marian apparitions and messages Mary has brought from God as mother comforter Queen of Angels and Prophet of the Apocalypse. Drawn from scripture legend and never before published eyewitness accounts these are personal stories the author's own and her interviews with other visionaries filled with beauty wonder and joy. Meetings with Mary ranges from Elijah's vision of Mary eight hundred years before her birth to the world famous children of Medjugorje in Bosnia whose encounters with her began in 1981 and continue daily. Here also are lesser known deeply touching encounters with the Mother from an office worker in Holland to a Japanese nun from a Jewish banker in Rome to an awestruck crowd of visionaries few of them Christians or of any other faith in Egypt. Meetings with Mary asks also as the millennium draws near shadowed by disasters disease and brutal civil warfare are Mary's frequent appearances a signal to the faithful. Perhaps she is calling us all to join her now on a voyage toward the eternal shores of peace joy and abiding love. Connell is passionate about prayer and sharing her love of Jesus mother. She has a way of simplifying complex theology. Rocky Mountain News
