Apple War:

Dogfight Fred Vogelstein,2013-11-12 Behind the bitter rivalry between Apple and Google and how it s reshaping the way we think about technology The rise of smartphones and tablets has altered the industry of making computers At the center of this change are Apple and Google two companies whose philosophies leaders and commercial acumen have steamrolled the competition In the age of Android and the iPad these corporations are locked in a feud that will play out not just in the mobile marketplace but in the courts and on screens around the world Fred Vogelstein has reported on this rivalry for more than a decade and has rare access to its major players In *Dogfight* he takes us into the offices and board rooms where company dogma translates into ruthless business behind outsize personalities like Steve Jobs Apple s now lionized CEO and Eric Schmidt Google s executive chairman and inside the deals lawsuits and allegations that mold the way we communicate Apple and Google are poaching each other s employees They bid up the price of each other s acquisitions for spite and they forge alliances with major players like Facebook and Microsoft in pursuit of market dominance *Dogfight* reads like a novel vivid nonfiction with never before heard details This is more than a story about what devices will replace our cell phones and laptops It s about who will control the content on those devices and where that content will come from about the future of media and the Internet in Silicon Valley New York and Hollywood

Rover Barry Blackstone,2017-10-06 Walk again in your childhood with a favorite animal friend as Pastor Blackstone remembers his boyhood and best friend a dog named Rover and their adventures together This series of remembrances and reminisces of a canine companion after over a half a century of time was invoked by an adulthood best friend a cat named Eddie highlighted in his own book *Meows from the Manse* *Rover A Boy s Best Friend* is a mental stroll through memory lane when the author was much younger and the world of his family s homestead was open for exploration and expedition with a mostly black German Shepherd and Collie mix at his side Travel with these best friends through the four seasons of nature covered in white and green and brown through the forest paths of north Perham a tiny agriculture community in Aroostook County Maine through the fields and the pastures of a 720 acre dairy and potato farm as they encounter woodland creatures of every sort and barnyard animals of every kind through meadows and mornings and moonsets that years later form wonderful illustrations and spiritual lessons for the young man who would grow up to become a pastor for nearly a half century You will hear from Rover himself as he barks out sermons that will stand the test of time and homestead homilies that will rebuke and reprove as the author makes a modern application to a boyhood experience with his dog Sit back and read and recall your own dog tales or cat tales if that is your favorite animal as you travel again with a lad and his Lassie with a shaver and his Rin Tin Tin through the early years of life when your best friend was a dog named Rover
