Joel R. Beeke,2025-08-05 Since the time of the Reformation and especially during the era of the Puritans Christians have derived great benefit from reading edifying sermons Christians today would do well to imitate godly saints of the past by supplementing their devotional diet with preaching in print As Joel R Beeke says Though books of sermons do not tend to sell well today unlike in Puritan times when nearly all their books were repackaged sermons the reading of edifying sermons can still be a great blessing to God s children today This book presents thirty six choice sermons from a veteran preacher who has also spent his career training ministers to faithfully preach God s Word These sermons cover a wide range of texts from Genesis to Revelation and treat a host of pertinent topics Nevertheless one grand

theme resounds from each of them Jesus Christ and how to live in Him by Him and out of Him Each is spiritually beneficial meant to help readers grow in spiritual maturation to the glory of the triune God Like Paul the goal of every faithful preacher is to proclaim nothing but Jesus Christ and Him crucified 1 Cor 2 2 This volume is evidence that Beeke s two favorite things in life are to know Christ and to preach Christ And as you read by the Spirit s grace your love for Christ will deepen so that you shout from the heart For me to live is Christ *How to Live in Freedom Being Yourself* Aniceto Masferrer,2026-01-06 What does it truly mean to live in freedom In a culture that often confuses freedom with mere choice or self assertion How to Live in Freedom Being Yourself invites readers to recover a deeper and richer understanding of human liberty Drawing on philosophy history and lived experience Aniceto Masferrer shows that authentic freedom is inseparable from truth responsibility and love Rather than presenting abstract theories this book explores freedom as a personal journey one that calls readers to integrity courage and solidarity with others It examines how freedom has been shaped and distorted in Western culture why autonomy without responsibility ultimately enslaves and how genuine liberty requires both limits and meaning Written with clarity and conviction How to Live in Freedom Being Yourself is both a reflection and a guide It challenges readers to think critically about their own lives to resist the false promises of an individualism without roots and to embrace the adventure of becoming truly free For students seekers and anyone longing for a more authentic life this book offers a fresh vision of freedom one that is at once demanding hopeful and profoundly human **Saints and Sinners** Henry Arthur Jones,1914 *Upper Room Bulletin* Ann Arbor.
