Dark River:

The Dark River John Twelve Hawks, 2012-03-15 A brilliant follow up to the New York Times bestseller *The Traveler* *The Dark River* follows the Harlequin Maya and the Traveler Gabriel Corrigan on their search for Gabriel's lost father In his first novel John Twelve Hawks introduced the world of two brothers Gabriel and Michael Corrigan who learned they were Travelers a line of prophets through history who are able to travel into different realms of consciousness and existence and Maya a Harlequin who like Harlequins before her pledged to lay down her own life to protect any Traveler *The Dark River* opens following Maya and Gabriel's narrow escape from his brother Michael and the group of powerful men who have been pursuing them The landscape has shifted Michael has become part of the group that wants to capture Gabriel and thanks to advanced surveillance technology there are few places for them to hide While he is recuperating and staying in the shadows in New York City a shocking piece of information trickles back to Gabriel concerning his and Michael's father A Traveler who was believed to be dead for nearly twenty years Gabriel hears may still be alive and trapped somewhere across the globe Gabriel Maya Hollis and Vicki must plan their escape from New York as well as their path to Gabriel's father who has the ability to revive the failing Traveler movement But Michael and his group of Tabula mercenaries are equally motivated to find both Gabriel and their father for both represent an obstacle to Michael's unchallenged power *The Dark River* is a scintillating novel that like *The Traveler* is deeply and richly drawn showcasing a superb and original voice **Speaking Destruction**
