Dark Dance:

The Dark Dance of Times Olivia Conde,2022-03-10 The population is on earth like a matchbox Prepared to be used in turning on and off Those that are broken are thrown away so that they do not get in the way We lose the focus of living in nature due to obligations In the dream of life a constant journey is born A hug of colors wraps you in its mantle Smiling images are reflected in memories It is the eternal union creating the bond of return Fluorescent stars shine with aromas The dance of the universe always keeps traces Renewal watches with peace in his spirit When you wake up from the trip new life will be born

My Head Master Lilymjok, Kyuka,2017-05-01 I first time I saw the man who became my headmaster was when he rode his motorcycle past our house in Tyosa He was a huge dark hairy man with big eyeballs that looked like they could see through anything and often saw through everything His eyes were so frightening to me that I always trembled whenever he turned them on me Not only were the eyeballs big he had a way of baring them in the most frightening manner when he focused them on you Older people said his father Akut was nicknamed Akut the owner of frightening eyes for pretty much the same reason His eyeballs were said to be so big as to scare away birds whenever he entered the forest Some people said they scared away chickens too So he was called Akut the owner of frightening eyes But Akut s son was headmaster and no one dared pass his nickname to his son though he had passed his frightening eyes to the son No one dared sing songs behind him the way children used to sing behind Akut his father Passing through and growing up in school with Akut s son as the Headmaster and what it took to grow up in a closely knit community through the eyes and memory of a pupil is a story that has to be told the story of any pupil And this is the story

Alfredo de Palchi Giorgio Linguaglossa,2020-12-10 In this keen examination of Alfredo de Palchi s lyrical

oeuvre Giorgio Linguaglossa refers to de Palchi as the missing link in Italian poetry in the second half of the twentieth century From page one of this study de Palchi s voice is in constant dialogue with the Italian poets of his time Linguaglossa gives us a complete picture of the relationship between de Palchi s asymptomatic creative paradigm and what was taking place around him While the majority of de Palchi s life was spent outside of Italy he continued to engage with Italy in his poetry in translating Italian poets into English and for close to fifty years as co editor with Sonia Raiziss of Chelsea magazine a biannual that published a significant number of translations of twentieth century Italian poets Through Chelsea magazine de Palchi also became a conduit bringing Italian poetry to non Italian speaking poetry aficionados in the United States It is especially his own verse written outside the geocultural boundaries that we know as Italy which makes this study by Giorgio Linguaglossa all the more important
