## **Darling Pericles:**

*Darling Pericles* Madelon Dimont, 1972      **Prisoner of History** Madeleine M. Henry, 1995-07-20 According to legend Aspasia of Miletus was a courtesan the teacher of Socrates and the political adviser of her lover Pericles Next to Sappho and Cleopatra she is the best known woman of the ancient Mediterranean Yet continued uncritical reception of her depiction in Attic comedy and naive acceptance of Plutarch's account of her in his *Life of Pericles* prevent us from understanding who she was and what her contributions to Greek thought may have been Madeleine Henry combines traditional philological and historical methods of analysis with feminist critical perspectives in order to trace the construction of Aspasia's biographical tradition from ancient times to the present Through her analysis of both literary and political evidence Henry determines the ways in which Aspasia has become an icon of the sexually attractive and politically influential female how this construction has prevented her from taking her rightful place as a contributor to the philosophical enterprise and how continued belief in this icon has helped sexualize all women's intellectual achievements This is the first work to study Aspasia's biographical tradition from ancient Greece to the present day      **Coates's Herd Book** Henry Strafford, 1906      *The Gathering Storm* Neil Port, 2014-10-25 Bumper edition Three sections for the price of one Jacinta has been badly injured in her fight with a daimon It seems she will have to give up her dream of being a warrior A group of young women desperately need her help but how can she help them when she can't help herself The elves and their allies have a period of peace but it is an illusion There is a great storm building far to the East The Huns are coming for the last elves of Anatole and the Transkaukasos in numbers too great to comprehend The evil wizard Lof lives and when the hordes come they will be backed by the darkest magic of all While Philippos is dead the Makedones are now led by Alexander his even more dangerous son The elves are fewer and far weaker than they were when they faced the last barbarian horde They will face war on multiple fronts leading up to the final desperate defence of Elgard The last is a battle they cannot truly win Will this be the end of the elves and all that stand with them      *The Paladin Chronicles Book bundle 1-4* Neil Port, Mega book bundle Over 1700 pages 6000 000 words of Epic Fantasy adventure love some historical fantasy and a light sprinkling of humour All set in ancient times and exotic locations The story begins with Hakeem a mercenary from the desert city of Karsh in what is now Syria Growing up in a monastery all he ever wanted was to become a religious monk He can't understand why he was refused by the Grand Abbot whom he loved like a father The old man told him he was destined to become something called a paladin Broken hearted and penniless he runs away making a long journey to join the desert mercenaries fighting in the Greek colonies on the western coast of Turkey Paladins were very rare and the Shayvist monks believed they were sent by their God each with a great task The old Abbot didn't know that a second child had already been sent but what possible task would require two paladins After fighting in a war in Greek Turkey Hakeem rises to the level of a senior commander and is summoned home by the new Grand Abbot of his people Little does he realise then that he will soon be caught up in events that were prophesied two thousands years before

The once mighty Elves are fading They have lost almost all their magic Their numbers are shrinking They no longer live longer than humans and each year they have fewer and fewer children Their final destruction has been foretold and now the time is all but upon them They are destined to face barbarian hordes greater than the time of the Aryans accompanied by an ancient sorcerer who can command a demon army There seems little hope that it wont overwhelm them completely and destroy them without a trace Only through an ancient prophecy can they be saved Hakeem an Elvish Princess and their adopted daughter join to flee assassins and begin the search for a way to save the Elves Readers Favorites Reviews Historical fantasy really doesn t get better than this first rate truly memorable A brilliant job of writing merges elves into Greek mythology and creates strong and fascinating characters Rating 5 0 stars

**Three Scientists of the Ancient World** John Wain,Laszlo Solymar,2013 These plays cover one thousand years of the ancient world from the golden age of Athens to 5th century Alexandria The protagonists are Anaxagoras Archimedes and Hypatia scientists mathematicians philosophers All three of them came into conflict with the prevalent views of the time Anaxagoras maintained that the sun was a big burning rock of the size of the Peleponnesus He was condemned to death on the charge of impiety Archimedes the first example of the efficacy of technology combined with science built fortifications that could withstand the might of the Roman Army His popular fame rests on him shouting Eureka and jumping naked out of his bath when he discovered the laws of Hydrostatics He is also known by his statement give me a fixed point and I shall move the Earth Hypatia was a philosopher and mathematician a believer in the old faith She was hacked to death by a bunch of monks at the instigation of Cyril a Saint of the Christian Church

Silence and Listening as Rhetorical Arts Cheryl Glenn,Krista Ratcliffe,2011-01-05 In *Silence and Listening as Rhetorical Arts* editors Cheryl Glenn and Krista Ratcliffe bring together seventeen essays by new and established scholars that demonstrate the value and importance of silence and listening to the study and practice of rhetoric Building on the editors groundbreaking research which respects the power of the spoken word while challenging the marginalized status of silence and listening this volumemakes a strong case for placing these overlooked concepts and their intersections at the forefront of rhetorical arts within rhetoric and composition studies Divided into three parts History Theory and Criticism and Praxes this book reimagines traditional histories and theories of rhetoric and incorporates contemporary interests such as race gender and cross cultural concerns into scholarly conversations about rhetorical history theory criticism and praxes For the editors and the other contributors to this volume silence is not simply the absence of sound and listening is not a passive act When used strategically and with purpose together and separately silence and listening are powerful rhetorical devices integral to effective communication The essays cover a wide range of subjects including women rhetors from ancient Greece and medieval and Renaissance Europe African philosophy and African

American rhetoric contemporary antiwar protests in the United States activist conflict resolution in Israel and Palestine and feminist and second language pedagogies Taken together the essays in this volume advance the argument that silence and listening are as important to rhetoric and composition studies as the more traditionally emphasized arts of reading writing and speaking and are particularly effective for theorizing historicizing analyzing and teaching An extremely valuable resource for instructors and students in rhetoric composition and communication studies Silence and Listening as Rhetorical Arts will also have applications beyond academia helping individuals cultural groups and nations more productively discern and implement appropriate actions when all parties agree to engage in rhetorical situations that include not only respectful speaking reading and writing but also productive silence and rhetorical listening **Duroc-Jersey Swine Record** ,1905
