

City

(Life, Lights, & Love)

The cars roar by in endless streams,
A modern jungle's nightly themes.
Skyscrapers kiss the evening sky,
Where neon dreams are hung up high.

The people rush in hurried beats,
On crowded trams and busy streets.
A blend of wills, a clash of sights,
In days of sun and neon nights.

A city's pulse in every vein,
Each whisper, shout, and distant train.
A symphony in steel and stone,
Where every soul may find its tone.
